It is encouraged to complete the new employee forms in advance. Submit all completed forms to HR/Payroll on or before your first day of work. If the new employee forms are completed in advance, you can expect to spend about 15 minutes in the office for your review and verification. If forms are not completed in advance you should plan your visit to be approximately one hour to complete (add an additional 30 minutes if you are a nonresident alien) in the office. You will **need to bring/ email the following documents and forms to the Office of Human Resources and Payroll Services** in order to complete your hiring paperwork.

**CSU FORM SSA-1945
 STATEMENT CONCERNING YOUR EMPLOYMENT IN A JOB NOT
 COVERED BY SOCIAL SECURITY**

EMPLOYEE AND CAMPUS INFORMATION

EMPLOYEE NAME (Last, First, Middle Initial)	EMPLOYEE SOCIAL SECURITY NUMBER:
CAMPUS CALIFORNIA STATE UNIVERSITY – EAST BAY	DEPARTMENT

Please be advised that your earnings from this position are not covered under Social Security. When you retire, or if you become disabled, you may receive a pension based on earnings from this position. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your husband or wife, or former husband or wife, your pension benefit may affect the amount of the Social Security Benefit you receive. Your Medicare benefits, however, will not be affected.

Under the Social Security law, there are two (2) ways your Social Security benefit amount may be affected:

1. Windfall Elimination Provision

Under the Windfall Elimination Provision, your Social Security retirement or disability benefit is figured using a modified formula when you are also entitled to a pension from a job where you did not pay Social Security tax. As a result, you will receive a lower Social Security benefit than if you were not entitled to a pension from this job.

For example, if you are age 62 in 2005, the maximum monthly reduction in your Social Security benefit as a result of this provision is \$313.50. This amount is updated annually. This provision reduces, but does not totally eliminate, your Social Security benefit.

2. Government Pension Offset Provision

Under the Government Pension Offset Provision, any Social Security spouse or widow(er) benefit to which you become entitled will be offset if you also receive a Federal, State, or local government pension base on work where you did not pay Social Security tax. The offset reduces the amount of your Social Security spouse or widow(er) benefit by two-thirds (2/3) of the amount of your pension.

For example, if you get a monthly pension of \$600 based on earnings that are not covered under Social Security, two-thirds of that amount, \$400, is used to offset your Social Security spouse or widow(er) benefit. If you are eligible for a \$500 widow(er) benefit, you will receive \$100 per month from Social Security (\$500-\$400 = \$100). Even if your pension is high enough to totally offset your spouse or widow(er) Social Security benefit, you are still eligible for Medicare at age 65.

FOR ADDITIONAL INFORMATION

For more information, please refer to Social Security Publications **“Windfall Elimination Provision,” and Government Pension Offset Provision.** These publications, and additional pertinent information, including information about exceptions to each provision, are available at www.socialsecurity.gov. You may also call toll free at (800) 772-1213, or the TTY number at (800) 325-0778, or contact your local Social Security Office.

REQUIRED SIGNATURE

I certify that I have received CSU FORM SSA-1945 that contains information about the possible effects of the Windfall Elimination Provision and the Government Pension Offset Provision on my potential future Social Security benefits.

CSUEB Building Evacuation Procedures

Cal State East Bay is committed to being a safe and caring community. Please be familiar with these procedures. Your appropriate response in the event of an emergency can help save lives.

1. **Upon notification by alarms, bullhorns, or messenger, immediately notify others nearby who may be unaware, leave your area, go to the nearest building *Exit*, and relocate to your building Assembly Area** or an open area 100 feet from building if you are unable to reach the Assembly Area.
2. **Persons with disabilities or mobility difficulties should go to the nearest Exit Stairway** and request assistance. *Rescue personnel will first check all Exit Stairways for trapped persons.*
 - 2.1. Inform floor VTL or University Police of your location by calling x 911 on campus phone or 885-3791. Your supervisor or faculty member should also report your location to emergency personnel at the assembly area.
 - 2.2. Do not obstruct the stairway or door leading to the stairway.
 - 2.3. If no one nearby is trained to help evacuate, send someone for assistance to Volunteer Team Leader, official at Assembly Area, or University Police Department.
 - 2.4. Move inside the stairwell to wait when it is safe to do so. Return to your work area after “All Clear” is given. Remember that it may be 30 minutes or more before rescue personnel are able to reach all persons with disabilities.
3. **Able-bodied persons should assist in the evacuation of injured persons or persons with disabilities**
 - 3.1. Be familiar with persons with disabilities who are routinely in your area.
 - 3.2. Inform hearing impaired/deaf persons by gesture or notes that they should evacuate.

New Health Insurance Coverage Options and Your Health Coverage

PART A: General Information

When key parts of the health care law took effect in 2014, there was a new way to buy health insurance in California. To assist you as you evaluate options for you and your family, this notice provides some basic information about a new Marketplace called Covered California, and employment-based health coverage offered by your employer.

What is Covered California?

Covered California can help you find health insurance that meets your needs and fits your budget. Covered California offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through Covered California began in October 2013 for coverage that started January 1, 2014.

Can I Save Money on my Health Insurance Premiums in Covered California?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through Covered California?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through Covered California and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through Covered California instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution –as well as your employee contribution to employer-offered coverage– is often excluded from income for Federal and State income tax purposes. Your payments for coverage through Covered California are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please contact: HR Benefits Office (Insert Benefits Office contact information here), check the campus HR benefits website (Insert link) or summary plan description.

Covered California can help you evaluate your coverage options, including your eligibility for coverage through Covered California and its cost. Please visit www.coveredca.com or call 888-975-1142 for more information.

¹ An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in Covered California, you will be asked to provide this information. This information is numbered to correspond to the Covered California application.

3. Employer name California State University East Bay		4. Employer Identification Number (EIN) 94-6390556	
5. Employer address 25800 Carlos Bee Blvd		6. Employer phone number 510-885-3634	
7. City Hayward	8. State CA	9. ZIP code 94542	
10. Who can we contact about employee health coverage at this job? Diane Salim, HR Benefit Programs Specialist			
11. Phone number (if different from above) 510-885-2549		12. Email address diane.salim@csueastbay.edu	

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:

All employees.

Some employees. Eligible employees are:

Regular appointment – employee is appointed in a benefits eligible classification with a time base of at least half-time (0.5 Full Time Equivalent (FTE)) and with a length of appointment for at least six months and one day; or

AB 211 appointment – Lecturers and Coaches (R03) in applicable year class codes who are appointed for at least six (6) weighted teaching units (WTUs) (i.e., 0.4 time base/FTE) for at least one semester or two consecutive quarters;

If an employee does not meet CSU’s standard benefits eligibility criteria listed above, and is appointed with at least 0.75 time base/FTE or higher regardless of length of appointment (duration) or hired to work 130 hours or more per month over the course of the appointment; or works an average of 130 hours or more per month during any measurement period.

- With respect to dependents:

We do offer coverage. Eligible dependents are:

- Current spouse/registered domestic partner
- Natural, adopted, step, or registered domestic partner's children up to age 26
- Disabled children of any age if enrolled prior to age 26
- Children up to age 26 for whom the subscriber has assumed a parent-child relationship and is considered the primary care parent

We do not offer coverage.

If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through Covered California. Covered California will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in Covered California they will guide you through the process. Here's the employer information you'll enter when you visit [Covered California](#) to find out if you can get a tax credit to lower your monthly premiums.
