Search for Events:

When navigating within 25Live, please use one of the following recommended browsers: Mozilla Firefox, Google Chrome or Safari

To access CSUEB 25Live University Calendar and Scheduling System:
1) Go to the University Scheduling page and click on the New! 25Live University Event Calendar link: http://www20.csueastbay.edu/pem/university-scheduling/index.html OR
2) Go directly to the Calendar: http://www20.csueastbay.edu/25live/index.html

To search for a specific Event enter a keyword in the Search box and press <Go>
- For Example: Enter Party and it will search the entire calendar for an event that contains Party
You can view different calendar events by selecting the appropriate box:

- The Calendar will display All Events on campus.
- Each Calendar is color coded.
- You can view a specific calendar to be displayed by clicking the appropriate Calendar Filter.
- To Clear All Checkboxes, click on None and it will uncheck all the boxes.
- To View all Calendars, click on All to check all the boxes.

You can also search for Events in 25Live and for Reservable Locations by clicking on the <Search Location in 25Live> button and it will launch 25Live:
