Searching Locations within 25Live

When navigating within 25Live, please use one for the following recommended browsers: Mozilla Firefox, Google Chrome or Safari.

To access 25Live to Search for Locations can be accessed in two ways:

- A direct link is available from our 25Live University Event Calendar page:

  ![SEARCH LOCATION in 25Live](image)

  URL: https://25live.collegenet.com/csueastbay

- A link to the CSUEB Campus Map is provided for Location names and abbreviations:

You will be redirected to an Availability Grid for the Locations that meet your search criteria.

**Only locations available for reservation will appear in list**
**If you currently do not have access to initiate a reservation request within 25Live, please fill-out the appropriate ‘Affiliate Request Form’ located on the University Scheduling website: [http://www20.csueastbay.edu/pem/university-scheduling/fr-request-forms.html](http://www20.csueastbay.edu/pem/university-scheduling/fr-request-forms.html)**

**To request for access to 25Live, please email 25LiveSupport@csueastbay.edu**

**TIPS**

When you use 25Live for the first time, the following screen will be displayed:
“What is the Availability view?” You can Hide the Guide and it will not appear when you login again.

When you search for a specific room, the Load Availability button may appear. Click to Load Availability to load specific locations.
