25Live Enhancements!!

We are pleased to announce NEW enhancements in 25Live—the University Scheduling tool that helps event planners to organize and manage events!

- More efficient
- More accurate
- Easier to manage

25Live Locations
- CRUU and Pioneer Heights (PH) locations are now available as venue requests
- Student and Faculty Support Building (SF) conference rooms are now available in 25Live as Self-Service rooms
- Additional instructions are now available, for example:
  - “No food or drink allowed”
  - “Do not water lawn”

25Live Resources
- Aramark Food Services is now available as a Resource to include when creating an event.
- CRUU and Pioneer Heights (PH) resources are now available as resource requests.
- Additional instructions are now available, for example:
  - “Please deliver resources by 1:30 PM”

25Live Events
- Custom Attributes are now available—possible elements of an event that will require some additional details. They include:
  - Food service at event
  - Advertising for event
  - Alcohol consumption
  - Minors in attendance
- Free-form Comments and Internal Notes have more editing options
- Task Notifications—Items “To-Do” in 25Live. Used as the approval process for locations and resources.

25Live Education
Drop-in Workshops in SA-1400 training room
- December 2 & 9 at 9-10AM
- December 4 & 11 at 11AM – Noon

This is a good opportunity to learn more about all of the updates and best practices for event scheduling!
