At California State University, East Bay the Parent and Family Programs strives to partner with parents and families to make the most of the college experience, support student learning and empower student success. Please join us at: www.csueastbay.edu/parents.

We want to hear from YOU!
Cal State East Bay Parent and Family Programs wants to hear what we can do to keep everyone as well informed as possible. Let us hear from you! Answer our survey.

Register now for Family Orientation!
The Family Orientation Program provides information to help family members support students during the first year and answer your questions and concerns. See dates available and register online at csueastbay.edu/orientation
