

Explanation of Alternative Consultation Process

The CSU policy on Student Fees allows the university president to use a process known as alternative consultation when the president determines that a fee referendum is not the best mechanism for seeking consultation on a new fee or fee increase. President Morishita has chosen to utilize alternative consultation for the Health Services Fee proposal because he wishes to receive input that is more representative of the breadth of the campus community. Therefore, the following alternative consultation methods have been selected.

1. An online student survey for students to provide feedback. Feedback has been collected during the fall quarter, and will continue to be collected through January 26, 2018. The survey link will be available on the health center website, ASI website, on BaySync and on the SHCS Facebook page.
2. The additional forum opportunities for students to provide feedback: January 9th, 17th and 25th.
3. An ASI Board presentation took place on November 15, 2017
4. Presentations also were conducted as follows:
 - RAW & PAW student employees and volunteers' orientation on September 18, 2017
 - BSU Welcome Black Reception on September 29, 2017
 - Student Health Advisory Committee meeting on October 4, 2017
5. Student feedback surveys were also collected at the following events:
 - Al Fresco Tabling on September 18, 2017
 - Late Night at the RAW event on October 5, 2017
 - SHCS Open House on October 11, 2017
