View Your Dependent Information
Changes to your benefit information can only be made by Human Resources. Contact them to make changes if necessary.

View Your Dependent Information (MyCSUEB)
1. Login to MyCSUEB
2. Navigate to the Employees tab (it may open to the Employees tab)
3. Click Dependent Information
4. A list of your current dependents, along with their coverage, is displayed
5. Click any hyperlinked dependent to view additional information, including covered dependents
   - Please note that you may see dependents listed here that are no longer covered; dependents cannot be deleted from the system, only removed from coverage

View Your Dependent Information (HEBPRD)
1. Login to HEBPRD
2. Click Self Service
3. Click Benefits
4. Click Dependents and Beneficiares
5. Click Dependent/Beneficiary Coverage
6. A list of your current dependents, along with their coverage, is displayed
7. Click any hyperlinked dependent to view additional information, including covered dependents
   - Please note that you may see dependents listed here that are no longer covered; dependents cannot be deleted from the system, only removed from coverage
