Living on Campus means:

Taking part in a vibrant residential community — We offer programs that help support your student success, such as building good study skills, career planning, developing self-awareness and maintaining healthy relationships.

One convenient bill — Charges for your residence will appear in your MYCSUEB account each quarter. All utilities, internet and meal plans are included.

Fewer one-time costs — All rooms are furnished with extra-long bed frames, all rooms have private bathrooms, meal plans are included. Your MYCSUEB account each quarter. All utilities, internet and wireless high-speed internet are included. Charges for your residence will appear in your MYCSUEB account each quarter.

Easy access to campus — There is no need to spend time commuting or finding a parking space when you live on campus. There is also convenient shuttle service to campus from our University Village community.

Affordability — Installment plans are available and financial aid may be directly applied to cover housing expenses.

University Village

Experience Cal State East Bay’s incredible diversity by living on University Village — a community that thrives on cultural expression. University Village is a unique complex, open to international, graduate and non-freshman undergraduate students, where fellow Pioneers of all ages and from all over the world, live side-by-side in an enriching, inclusive environment.

- Secure access to all buildings
- Wireless high-speed internet
- Live-in Resident Assistants
- Recreational areas, study rooms and newly remodeled community kitchen
- Four laundry rooms
- Ample parking
- Outdoor barbecue area
- Dedicated campus shuttle service
- Cable service within each apartment
- Double and triple-occupancy apartments

Pioneer Heights

Pioneer Heights is Cal State East Bay’s largest residence hall complex, and includes 10 buildings. Three buildings are dedicated to first-year freshmen, where we help establish a solid foundation for your college journey through building a shared community. Pioneer Heights also offers one building dedicated to sophomore success, as well as Transfer Living Learning Communities that focus on a successful transition from community college to Cal State East Bay.

- Secure access to all buildings
- Wireless high-speed internet
- Live-in Resident Assistants
- Study lounges
- Recreation rooms with cable TV, billiards, ping pong tables and air hockey
- Two laundry rooms
- Outdoor basketball courts
- Barbecue and picnic areas
- University Police substation
- Multiple housing options
- First-year suites (doubles and triples)
- Single, double and triple-occupancy apartments
