Policy Statement Title: ASI Club/Org Funding Policy
Policy #: / -
Revised: 09/2013

Mission Statement

The mission of the Finance Committee is to support student organizational activities that will directly enhance on-campus life, and allow students to develop leadership and other skills.

The Finance Committee is entrusted with the responsibility of ensuring that funds are allocated sensibly & as fairly as possible.

Why are events held by student organizations funded?

☐ The basic premise for which funds will be allocated is to promote on-campus programming and is based on the general contribution of a program to the on-campus cultural, educational, recreational or physical well-being of all CSUEB students.

☐ For this reason, any organization's activities that are sponsored by Associated Students, Inc. must be open to all CSUEB students. Advertisement or notification must be publicized in a way that all CSUEB Students are notified.

☐ It is important for student clubs & organizations to note that receiving Student Organization funds is a privilege and not a right.

☐ With the exception of conference registration fees, student funds will not be used to support off-campus programs, activities, events, and on/off-campus Faculty or Staff department expenditures as this reduces ASI’s liability for off-campus activities.

Limit on availability of student funding

Funds will be considered for distribution on a first-come-first-served basis, with a limit on total funding available for each organization and a limit on total funding available each quarter. This maximum quarterly amount limit is to be set by the Finance Committee annually based on perceived volume of requests per quarter. Once a quarter’s limit is reached, all funding will cease for the remainder of that funding period.

Permission granted to the Finance Committee

☐ The Finance Committee retains the right to evaluate how organizations use funds for programs & suggest changes or options.

☐ The Finance Committee reserves the right to define an “event” for the purposes of this document.

☐ The Finance Committee may elect to divide the total budget into amounts to be allocated each quarter to ensure that there are sufficient funds available throughout the year.

☐ ASI reserves the right to have an informational table at all ASI sponsored events.
Penalty for non-observance of the Policies

Any organization, or the officer of the organization, that violates the Policy and Procedures may be subjected to penalties up to and including a moratorium on any request for ASI funds for a period of not more than one year.

Recognition of student organizations

- Officers of all student organizations receiving funds through the Finance Committee are required to be recognized by the Office of Student Life and Leadership. This means that:
  - Organizations must have current charters with the Office of Student Life and Leadership,
  - Organizations must be debt free,
  - Organizations must be in good standing with the University (as determined by the Office of Student Life and Leadership, unless prior arrangements have been made).

- Officers (President & Treasurer) of all organizations receiving funds are required to attend a mandatory ASI Finance workshop or Recognition & Renewal meeting each academic year, which explains funding procedures and policies. Those failing to comply with this guideline will not receive funding.

ASI Business Office

- The Associated Students Incorporated Business office is the Headquarters of the student government. The Business office has the task of receiving all applications for student organization funding.

  ASI Business Office hours of operation are from 9:00am to 5:00pm, Monday through Friday

- $\square$ Cash Advance (up to $500)
- $\square$ Cash Reimbursement (up to $500)

### Cash Advance (up to $500)

- After the Finance Committee has approved the student organization’s event, Student Life & Leadership will provide a form (Student Life & Activities approval for Advance) to the student club or organization’s officer to take to the University’s Accounting Office (SA 2750, 2nd floor). The student officer shall complete this form and get it approved by the Director of Student Life & Leadership.

- The Finance Coordinator will prepare a document (Cash Reimbursement/Advance Approval form) for the student officer to sign & hand over to the Cashier’s Office (SA building, 1st floor). By signing the aforementioned form, the student officer acknowledges that all **itemized** receipts/invoices from their event must be returned to the Cashier’s office within two (2) business days of the event. Failure to do so could result in a hold being placed on the student’s record or a charge being placed on the student’s account.

- The Cashier’s Office will advance the student officer cash for the approved expense and the student officer will sign to acknowledge the receipt of funds. The student officer will also receive a copy of the Cash Reimbursement/Advance Approval form. Any unspent funds will be transferred from the University to ASI unless otherwise specified by the Finance Committee.

- The student officer will return to the Cashier’s office within two (2) business days of the event & submit all the itemized receipts/invoices from their event.

### Cash Reimbursement (up to $500)

The Finance Coordinator will prepare a document (Cash Reimbursement/Advance Approval form) for the student officer to sign & hand over to the Cashier’s Office (SA building, 1st floor). By signing the aforementioned form, the student officer acknowledges that all itemized receipts/invoices from their event must be returned to the Cashier’s office within two (2) business days of the event. Failure to do so could result in a hold being placed on the student’s record or a charge being placed on the student’s account.

The Cashier’s Office will advance the student officer cash for the approved expense and the student officer will sign to acknowledge the receipt of funds. The student officer will also receive a copy of the Cash Reimbursement/Advance Approval form. Any unspent funds will be transferred from the University to ASI unless otherwise specified by the Finance Committee.

The student officer will return to the Cashier’s office within two (2) business days of the event & submit all the itemized receipts/invoices from their event.

Check Requests (from $500 to $1000):

After the Finance Committee has approved the student organization’s event, Student Life & Leadership will provide a form (Student Life & Activities approval form) to the student club or organization’s officer to take to the University’s Accounting Office (SA 2750, 2nd floor). The student officer shall complete this form and get it approved by the Director of Student Life & Leadership.

A student officer of the student club or organization (preferably the Treasurer or VP of Finance) will turn in a Check Request Form along with all the original receipts, invoices, quotes and any other necessary supporting documentation (Student Life & Activities approval form) to the Finance Coordinator at the University’s Accounting Office (SA 2750, 2nd floor) within two (2) business days after the student organization’s event has occurred.

The Finance Coordinator will prepare a document (University Student Club Cash form) for the student officer to hand over to the Cashier’s Office (SA building, 1st floor). The Cashier’s Office will reimburse the student officer for the expense with a check.

If the reimbursement check is to be picked up, the Student club or organization Officer indicated on the Check Request form shall be charged with the responsibility of obtaining checks from the office of Student Life & Leadership programs within two (2) business days of notification of check disbursement. In the event that the check is not picked up in the aforementioned time, the checks will be mailed to the address of the recipient of the check request.

Note:

Exceptions to any of the above may be made at the discretion of the Vice President of Finance.

Students submitting Finance Committee Funding Request Forms are expected to read these guidelines completely prior to filing a funding request form. Failure to do so may result in rejection of the funding request.

Student organizations will then be liable for all costs, which would have been covered by ASI funds, had the organization met its obligations under this paragraph.

**Note:**
- The ASI Finance Committee will not authorize funds for speakers/performers who reside outside of the United States of America. This provision will prevent entanglements with the Internal Revenue Service and the Franchise Tax Board over taxes to be levied from the fees earned by a foreign national whose home country tax laws may differ from those of the U.S. and the State of California.
Conditions:

☐ A Speaker Performance Agreement (located in the ASI office) must be signed and returned by the artists and/or performer ten (10) business days prior to the event.
