

Summer Session 2017 at CSUEB

Summer session is offered through University Extension (UE) to accommodate new and continuing students in post-baccalaureate, graduate and undergraduate classes that are needed to complete your degree.

State allocation is not provided to the campus for summer term instruction; therefore, self-support per-unit fees are assessed to enable CSUEB to offer a Summer program.

Exceptions

Courses required by the following programs will be offered via regular state-support session with the regular tuition:

- MS in Education, Option in Curriculum
- Credential
- Doctoral program in Educational Leadership (Ed.D.)

Self-Support Session Fees

Fees are subject to change without prior notice.

Undergraduate	\$199/unit
Graduate	\$271/unit
PBAC	\$271/unit

Students taking a combination of graduate and undergraduate courses will have two separate fee structures and will pay the per-unit fees as outlined above. No other campus fees, including non-resident fees and graduate professional program fees, will be charged if students are taking self-support courses only. Students taking self-support courses only who wish to use campus facilities or services (e.g., RAW, Student Health Center) will pay for those services on an as-used basis.

Students will pay Summer Session fees using MyCSUEB – same as they would in any other term.

Please note: Payment plans are not available for Summer Session. Payment is due, in full, on the established university fee payment deadlines, which can be viewed [here](#).

Financial Aid

To apply for summer aid, complete the 2016-2017 FAFSA.

This summer is an extension of the 2016-2017 financial aid year. If you plan to enroll this summer, please drop by the Enrollment Information Center, located in the lobby of the Student Services & Administration building, and meet with a financial aid counselor.

Eligible matriculated students, enrolled exclusively through self-support, with remaining (unused) eligibility, may receive federal student aid, including Pell Grant, Teach Grant, Federal Work Study, and Direct Loans. Eligible Students, enrolled in state supported courses, or in a combination of state and self-support, may also receive state aid for their qualifying state supported enrollment if they have remaining 2016-2017 eligibility. State aid includes State University Grant, Graduate Business Grant, Middle Class Scholarship, Chafee Grant, and EOP. Student enrolled exclusively through state support, may receive both Federal and state aid this summer.

To receive most aid types, students must be enrolled at least half time. Half time-enrollment for a master's degree program is equivalent to four units of graduate coursework numbered 6100 or higher and undergraduates must maintain six units to be considered halftime. Full time enrollment for graduate students is equivalent to eight units and undergraduate students must maintain twelve units to be considered full time. In some cases, aid eligibility is prorated when students enroll less than full time. Direct Loans require half-time enrollment.

Financial Aid Workshops will be held on the Hayward campus, in the Student and Faculty Support building, room SF 127 on these dates and times:

- Tuesday, April 18, 12:30 – 1:30 p.m.
- Tuesday, May 9, 12:30 – 1:30 p.m.
- Wednesday, May 24, 12:30 – 1:30 p.m.
- Thursday, June 8, 12:30 – 1:30 p.m.

Registration

Students will register using MyCSUEB and follow university policies and processes as they would in any other term. Registration for summer term 2017 will begin on May 15 (students should check MyCSUEB for their appointment date and time). The full schedule of classes will be available on MyCSUEB on May 8.

Important dates regarding enrollment, fee payment deadlines, final exam week, and grades can be found [here](#).

Refunds

The date that the withdrawal request form is submitted to the University Records Office determines the refund amount. Students who drop a class or who are dropped for non-payment during the ADD/DROP period, are entitled to a 100% refund of tuition paid for that class. Students who withdraw after the ADD/DROP date, but on or before the twenty-first instructional day in an academic quarter, are entitled to a 65% refund of tuition. No refund will be given for withdrawals after the twenty first instructional day.

If you are eligible for a refund, the amount is automatically credited to your University account. If you do not request a refund, the University will leave the balance on your account to apply toward future charges.

Veterans

Students eligible for the GI Bill may request certification for classes in summer 2017.

Please contact the CSUEB Veterans Service Coordinator, Deborah Hansana at va@csueastbay.edu or (510) 885-3669 to complete the required paperwork.

Please note the Cal Vet Waiver cannot be applied in summer 2017. State funding is not allowed when courses are offered via the self-support model.

Frequently Asked Questions

1. Which campus fee waivers will be applicable to self-support summer courses?

None. Fee waivers are not applicable to summer 2017 Summer Session (SP) course fees.

2. I'm not a regular CSUEB student but sometimes I take a course through Open University. Can I take a course through Open University in summer quarter 2017?

Yes, students can register through University Extension just like in any other quarter.

Open University registration information can be found [here](#).

For additional inquiries about Summer Session, please send an e-mail to summersession@csueastbay.edu or call University Extension at (510) 885-3605.
