Imagine Attending College in the Heart of Northern California’s Beautiful San Francisco Bay Area.

"Coming to California was one of the best decisions I’ve ever made. It’s really been a culturally enriching experience, and my coursework and professors are truly helping to prepare me for my next goal — attending medical school. I’m so glad I could take advantage of WUE. The program is helping me to finance my out-of-state education in a big way. My time here at Cal State East Bay is being well spent."

How it Works
To participate, Cal State East Bay admitted students who have legal residency in a WUE state can submit a WUE Participation Agreement Form to receive the WUE tuition rate. Students can receive the WUE tuition rate through the completion of a bachelor’s degree. Effective Fall 2011, Nursing, Pre-nursing, Business, and Pre-business majors are eligible to participate in WUE. WUE students are not eligible for California resident tuition, and students cannot apply time accrued while participating in the WUE program to establish California residency. WUE students must meet the non-resident student admissions requirements. For more information and to access the Cal State East Bay application for admission visit www.csueastbay.edu/wue.
