University Living and Learning Overlooking San Francisco Bay
Living on campus at Cal State East Bay means much more than having your own apartment just a short walk from classes. It's about becoming part of an innovative living-learning community designed to help you thrive academically and socially. And it means participating in exciting educational, cultural, and social programs designed to enhance your academic experience and personal growth — activities that will help you make the most of your college experience.

Food service at the Dining Commons, University Union, and across campus offers convenient options and makes it easy to meet people and make friends in a community atmosphere. And proximity to student events, clubs, and organizations means you'll be right in the heart of your college experience. Cal State East Bay's student apartments are where learning and personal growth are part of daily life.

“Fun? You’ve got to be kidding! This is the San Francisco Bay Area. We have it all: clubs, restaurants, museums, parks, natural resources, the ocean, skiing, and the real topper, the weather!”

Cal State East Bay student response to Princeton Review survey
