Where All Your Possibilities Come Into View.

Living on campus at Cal State East Bay means much more than having your own apartment located a short walk from classes. It’s about becoming part of an innovative living-learning community designed to help you thrive academically and socially. And it means participating in exciting educational, cultural, and social programs designed to enhance your academic experience and personal growth—and help you integrate what you’re learning with what you want to achieve. You’ll meet people from around the world, share ideas and experiences from the classroom and beyond—and make friendships that will last a lifetime.

Food service through the University Union offers you convenient meal options and makes it easy to meet people and make friends in a community atmosphere. And proximity to student events, clubs, and organizations means you’ll get the most from your college experience. Cal State East Bay’s student apartments are where learning and personal growth are part of daily life.

“Fun? You’ve got to be kidding! This is the San Francisco Bay Area. We have it all: clubs, restaurants, museums, parks, natural resources, the ocean, skiing, and the real topper, the weather!”
