Where All Your Possibilities Come Into View.
A University that Williamsia Freshmen

The freshman experience at Cal State East Bay is unlike any other in the state or elsewhere. You will be personally introduced to faculty in your chosen major or academic department on your arrival. Through the Freshman Book Connection, you’ll receive a specially selected book to discuss with other incoming freshmen through an online book that will change each year. And just before classes begin, faculty and staff will host a special event at which you’ll be personally introduced to faculty, staff, and current students who share your interests. In fact, some of your best friends will be made right here together. You will meet others who share your interests, and you’ll progress toward long-term objectives. And you’ll build a solid general education foundation that will open up limitless future possibilities. But you won’t be alone in your quest. Cal State East Bay’s small class sizes ensure you’ll get the individualized instruction you need, and helping you expect. Faculty and staff members will connect with you, counseling, and mentoring you need. And we’ll monitor your progress every step of the way, ready to give additional help whenever you need.

Distinctive Freshman Year Experience

Cal State East Bay is a student-centered institution, which means we’re earnestly committed to your academic, professional, and social development. We understand that students who make strong social connections with others are likely to succeed. That’s why our Freshman Year Experience program helps you to develop the social and emotional skills that enhance personal and professional growth. Students who participate in the Freshman Book Connection, for example, are more likely to develop leadership abilities. The year’s activities—such as attending concerts and student athlete awards—will allow you to connect with the campus community. As you move through your academic career, you’ll develop the writing, reasoning, and communication skills that will enhance your academic and career interest themes into self-directed learning communities focused on learning you can choose from among many, small, freshman learning communities that form on campus. As a Freshman, you can choose from a wide range of majors, sciences, and program options with unlimited career possibilities. But you won’t be alone in your quest. Cal State East Bay’s small class sizes ensure you’ll get the individualized instruction you need, and helping you expect. Faculty and staff members will connect with you, counseling, and mentoring you need. And we’ll monitor your progress every step of the way, ready to give additional help whenever you need.
