Cal State East Bay
Self-Guided Tour

Please use this handy guide to explore our beautiful campus and answer some common questions about becoming a Pioneer at Cal State East Bay

Welcome Center | Monday-Friday 9am-5pm
510-885-2556 | visit@csueastbay.edu
The Welcome Center is excited to show you all that Cal State East Bay has to offer through this self-guided walking tour. This guide will take you through some of the most beautiful parts of our campus, point out important resources, and give some information about how to become a Pioneer.

Cal State East Bay is proud to be the most diverse school in the continental US and to continue to push forward what it means to earn a Bachelor’s degree, not just through academic learning but leadership and emotional success as well.

We know you’re going to love it here as much as we do!

1 Student & Faculty Support (SF)

One of our LEED certified (sustainably constructed) buildings, this is home to many of our academic departments such as Nursing, Health Sciences, and Engineering. On the second floor, you’ll find unique support services to help you flourish academically like EOP and GANAS. Visit the Welcome Center on the first floor for pre-admission and application assistance. International admission as well as Study Abroad can also be found here.

2 Student Administration (SA)

Once you submit an application, this building will be your one-stop-shop for admissions, registrar, cashiers, and financial aid. This building also holds General Education advising through our AACE program and our FAST Freshman Advising Team.
3 **Valley Business & Technology (VBT)**

This beautiful technology center was built with help from our prominent alumni. It features some of the most technologically advanced classrooms and presentation rooms on campus, with East Bay Replay recording classes so students can revisit them as well as a live Stock Market ticker. It houses a study atrium and one of the biggest rooms on campus, seating over 200 people. VBT is home to our College of Business and Economics.

4 **Arts & Education (AE)**

Welcome to the oldest building on campus. East Bay was once known as a Teacher’s College and we continue the tradition of producing many of California’s teachers to this day through our renowned Teacher Education program. Cal State East Bay is known for founding the first Teaching Credential online. Also home to the Art department, AE features a makers lab, ceramics and metal labs, as well as several art exhibits. Wander here and you might find a Japanese Zen garden as well as a Lost Art garden.

5 **Pioneer Amphitheatre (PA)**

Soak up the sun and enjoy the quieter side of campus. This beautiful area is usually home to students studying or taking some self-care time to enjoy our gorgeous weather. Several times a year, the excitement amps up with some of our biggest events such as the Al Fresco welcome back event, jazz festivals, and Spring Mayhem celebration.

6 **Theatre Building (TH)**

From cultural performances to Greek organization events to world renowned speakers, the Theater offers various entertaining and enriching events throughout the year. East Bay students do not have to be a Theater Arts major to try out for one of our many plays and we are proud to have produced several prominent alumni such as James Monroe Inglehart, a Tony Award winner who played the Genie in Aladdin and acted in Hamilton on Broadway.
Robinson Hall (RO)

Surrounded by beautiful flowering bushes in the Spring, RO is home to Anthropology, Geography, & Environmental Science. You can also find the Theater and Dance Department here. Since RO is primarily classrooms, students will often visit here a couple times in their college career.

Music Building (MB) aka The Donut

This building is home to our talented Music department, encouraging students of all majors to rent out equipment connect with their musical side. The Donut holds sound-proof practice rooms, recording studios, more than 40 pianos, and many classrooms. This building is also home to Speech, Language, and Hearing Sciences department with our own mobile hearing lab!

Physical Education (PE)

Whether you’re a talented water polo player or hospitality is your idea of fun, this building houses popular majors such as Kinesiology and Recreation/Tourism. You can find heated swimming pools, weight rooms, yoga and badminton classes here as well as handball courts. Cal State East Bay competes at a NCAA Division II level against many other universities.

Student Health & Counseling (HC)

The Health Center provides quality healthcare by board-certified, licensed, and credentialed professional staff and doctors. No insurance needed! We believe in the holistic approach to college education so we provide support and growth opportunities via workshops and single, couple, or group counseling for free. We offer discounted medications, immunizations, health education and more!
11 University Library (LI)

Our library is the place to be for studying, free tutoring, computer labs, group study rooms, and to get your student ID—your Bay Card. If you do not have the book for a course, you can use the one on reserve in the Library. You can also check out Laptops and other equipment. Plus coming soon is our Library CORE building which will feature a 24 hour study room and so much more!

12 Pioneer Bookstore (BK)

Our bookstore offers many services that makes campus life convenient such as textbook buyback, ATM, copy services, Apple retail, and more! Our bookstore price matches to Amazon as well. You can also find all of your favorite East Bay swag here as well as fun goodies and gifts.

13 University Unions (UU)

Welcome to the heart of campus (and also the stomach!). The unions house most of our food options as well as the department of Student Life and our Market convenience store. Here you’ll find food options like Panda Express, and Urban Revolution. There is the original union which houses our Game Room and a US Bank as well as the new union which has the Diversity and Inclusion Center. When you’re interested in clubs, orgs, or events on campus, this is where you go for more information!

14 Meiklejohn Hall (MI)

Pronounce Michael-John, this big building houses some of the larger classrooms, the College of Arts, Letters, and Social Sciences, as well as a beautiful Anthropology Museum with over 40,000 artifacts. It also sits in front of the lawn and walkways where organizations, clubs, and Greeks will table and put on fun events.
15 **Pioneer Kitchen (DC)**  
The Pioneer Kitchen resides in our Dining Commons. Called the PK, this restaurant is a full service buffet-style option for all students. From vegan options to special options that avoid the 9 most common food allergies to a rotating cooked to order food bar based off student requests, the PK is far and above what you expect for college food. The Chef also offers free cooking classes in our future teaching kitchen in order to teach students how to feed themselves healthy, tasty meals. Meal plans are required for students living on campus but any student can purchase one as needed!

16 **Pioneer Heights Housing (PH)**  
Pioneer Heights is our on-campus housing option for undergraduate, graduate, freshmen, and transfer students. We offer apartment suites that allow students a more adult housing experience. Each suite is comprised of several double or triple occupancy rooms that share a kitchen (a kitchenette for Freshmen), a balcony, a dining area, a living room, and a bathroom. Gender Neutral housing is available for Sophomore standing and higher. Housing has their own University Police Department substation and access to a Resident Assistant 24/7. Enjoy your time by playing pool, ping-pong, tv, basketball, and more. Pioneer Heights is often where Pioneers meet their life-long friends!

17 **Recreation & Wellness (RAW)**  
The RAW is a beautiful rec center where students can use our multicourt gym, elevated indoor jogging track, fitness center, multipurpose and activity rooms for dancing, aerobics, and more. Inside is a Jamba Juice for that after workout pick me up. We approach our students’ experience holistically as we offer wellness experiences through discounted massages, workshops, and a relation room. The RAW is a Pioneer Favorite! Tours are offered during weekday business hours.
The College of Science is our most populous college, containing a large percentage of our student programs. Science North and South are identical buildings connected by a bridge, forming an H from the sky. A nod to our former name of CSU Hayward perhaps! Here you’ll find state of the art undergraduate research labs, nursing simulation labs, and our ever popular room, The Cave, a 24-hour study room. There are also BBQ pits and picnic areas nearby for use by students and staff.

Looking for More Information?

1. Aren’t sure if you’re ready to apply or need help with submitting your application? Contact the Welcome Center Monday-Friday 9am-5pm: visit@csueastbay.edu, 510-885-2556, csueastbay.edu/visit
