**Compliance with Federal Regulations regarding Financial Conflict of Interest for Investigators; Debarment and Suspension**

California State University, East Bay will comply with federally mandated Debarment and Suspension requirements mandated by Executive Order 12549. CSUEB will also comply with Conflict of Interest Disclosures as mandated by the National Science Foundation or an agency of the US Department of Health and Human Services or other federal agencies as required, and the State of California Statement of Economic Interest (Form 700U). The following guidelines will be implemented by the Office of Research and Sponsored Programs. ORSP will:

- (1) maintain procedures to comply with federal regulations,
- (2) stay abreast of new federally mandated guidelines,
- (3) seek consultation with CR, and
- (4) inform CR of any changes which require feedback from CR and the Senate.
