# Success Report Data

Data	Description
3,451	Total graduates earning degrees at both campuses (September 2008, December 2008, March 2009 and June 2009)
542	Total number of graduates responding to the survey
16%	Actual response rate (542 divided by 3,451)
12	Total graduates not seeking employment. These graduates were removed from the survey.
530	Basis for all Success Report percentages (542 less 12)
<b>90%</b>	<b>Success Rate. This includes a combination of graduates who are “Employed” (74%), and “Continuing Education” (16%).</b>

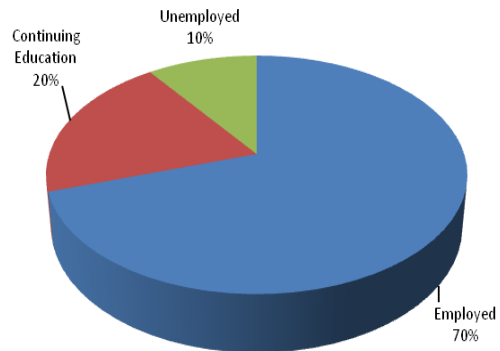

NOTES:

- 1) When graduates provided pay on an hourly basis, it was converted to an annual salary.
- 2) For ease of reporting, all “Special Majors” are listed in the College of Letters, Arts and Social Sciences.
- 3) When total percentages did not add to 100, due to rounding, the “Employed” percentage was adjusted by either a positive or negative one percent.
- 4) Data was collected through research (LinkedIn), an online survey, a mailed survey and an email survey.

# Overview by College and Degree

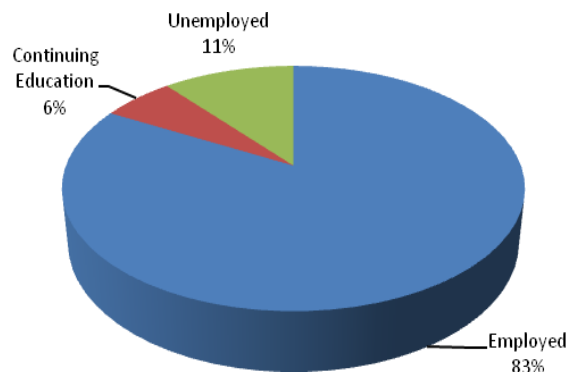

## UNDERGRADUATE STUDENTS

College	Employed	Continuing Education	Unemployed	Success Rate
