Auditor-Controller/Clerk-Recorder Agency
Current Opportunities

The Auditor-Controller/Clerk-Recorder Agency, a general government agency which provides direct services to County residents as well as administrative and operational support to County departments, is currently seeking applicants interested in gaining or furthering their skills in accounting and finance within the public sector. Positions are located near Lake Merritt in Oakland.

If you are a current Masters student or recent alum, we are seeking candidates with experience in accounting or finance to perform full-time work as an Auditor in local government.

If you are a current student or recent alum seeking to gain hands-on experience and learn more about the accounting or finance field, check out the Auditor Internship program.

To learn more about our Agency, visit us at www.acgov.org/auditor/.
