Understanding conditional admission
csueastbay.edu/admission
Cal State East Bay uses self-reported information and a review of partial transcripts with in-progress coursework to determine initial admission eligibility. All initial admission offers are conditional and contingent upon the completion of in-progress coursework and final review of all admissions requirements, including evaluation of all official transcripts.
Most applications meet the conditions of admission but occasionally some may not. Common reasons are:
- Failure to meet document deadlines
- Failing to meet the published admissions requirements, such as:
  - Official final transcripts that do not reflect the courses and grades indicated on your admission application
  - Failure to complete planned or in-progress courses listed on your admission application
  - Your A-G grade point average falling below the required minimum
It is important that you call 510-885-3500 to speak with an Admissions Counselor if you believe that you are at risk for not completing the terms of your conditional admission offer.

Educational Opportunity Program (EOP)
csueastbay.edu/EOP
Students who indicate an interest in the Educational Opportunity Program on their Cal State Apply application must also submit an EOP application and all additional required documents to be considered for the program.
Cal State East Bay only accepts fall semester applications for the Educational Opportunity Program. Fall students admitted to Cal State East Bay through EOP may also be required to attend a Summer Bridge program as an admission condition. Please contact the EOP Office at 510-885-4683 or email eopadmissions@csueastbay.edu with any questions.

Early Assessment Program (EAP)
(for fall semester applicants only)
csueastbay.edu/eap
The Early Assessment Program lets you know if you are ready for college-level work in English and mathematics at the end of your junior year of high school. This early signal gives you the chance to improve your skills during your senior year or the summer before attending a CSU or community college. Cal State East Bay will notify you in the spring if you are required to participate in the program.
CONGRATULATIONS ON YOUR ACCEPTANCE* TO CAL STATE EAST BAY AND WELCOME TO OUR COMMUNITY OF PIONEERS!

At Cal State East Bay, we’ve got great views and an eye on your future. Congratulations on being conditionally admitted* and welcome!

With orientation, programs, and residence halls just for freshmen, we are confident that you’ll enjoy your time here while working toward making your dream a reality.

Apply for financial aid
fafsa.ed.gov or dream.csac.ca.gov

Be sure to submit a Free Application for Federal Student Aid (FAFSA) application as soon as possible at fafsa.ed.gov. Use the Cal State East Bay School Code 001138 when applying. U.S. citizens, permanent residents, or eligible noncitizens can apply for financial aid. Noncitizens who attended a California high school for at least three years can fill out a California Dream Act application at dream.csac.ca.gov.

Submit the FAFSA or California Dream Act application by March 2 to apply for a Cal Grant and receive priority consideration for Cal Grants. Monitor your MyCSUEB portal for preliminary notification of financial aid and demonstrated high financial need. Students who meet these criteria should email preenrollmentfee@csueastbay.edu to request their pre-enrollment fee be deferred.

Upon being admitted, select “Accept Admission” from the left side of the page in MyCSUEB. There is a required $110 pre-enrollment fee that helps pay for orientation, which all enrolling freshmen must participate in. You must submit this fee as part of accepting your offer of admission. This fee is nonrefundable and due by May 1 (for fall semester), Nov. 1 (for spring semester) or 30 days following your acceptance, whichever date is later. Fee deferrals may be considered for those who have submitted a FAFSA or California Dream Act application, received a preliminary notification of financial aid and demonstrated high financial need. Students who meet these criteria should email preenrollmentfee@csueastbay.edu to request their pre-enrollment fee be deferred.

You are indicated with status of “Initiated”. You must submit all required documents by the posted deadlines. NetID and password are required to access MYCSUEB.

Apply for campus housing
https://csueastbay.edu/housing

The Student Housing portal opens in early March for fall and November for spring. Students interested in on-campus housing should check the website frequently for important dates and information regarding accommodation options. The housing application and contract are on the Housing portal and can be completed online.

Submit immunization documentation
https://csueastbay.edu/shcs

Complete and submit your immunization requirement form to Student Health and Counseling Services. Only those enrolled in totally online degree programs (without on-campus meetings or examinations) are exempted from completing this form.

Attend Freshman Orientation
https://csueastbay.edu/orientation

Attending Freshman Orientation is mandatory. More information about Orientation is available on the Orientation website https://csueastbay.edu/orientation, to locate the specific orientation dates and to register through MyCSUEB. As dates fill quickly, respond early for the best choice.

Pay your tuition and fees
https://csueastbay.edu/student-financial-services

Fees are due after registering for classes. Check your MyCSUEB account under the “Finances” section to view your payment due date. You can pay in full or sign up for a payment plan. Visit https://csueastbay.edu/Registrar/register/fees.html for details.

Clearing Admission Conditions

Incoming freshmen must submit all final, official transcripts with graduation date posted by July 1 for fall semester and Oct. 1 for spring semester. Transcripts with final grades for all courses must be submitted to clear any admission conditions and to maintain your eligibility to enroll. To accelerate the process, please request that your institution send electronic transcripts.

Previously opened, scanned transcripts or transcripts emailed directly from students are considered unofficial and cannot be used to fulfill admission requirements and evaluated for transfer credit. Only transcripts sent directly from the institutions or a 3rd party vendor on behalf of the institutions are accepted.

Institutions that can send official transcripts electronically may send them to electronictranscripts@csueastbay.edu. Official documents in sealed envelopes can be delivered in person to the Enrollment Information Center in the Student Services and Administration building on the Hayward campus or at the Academic Services Center on the Concord campus.

They can also be mailed to:
Office of Admissions
Cal State East Bay
25800 Carlos Bee Blvd.
Hayward, CA 94542

Please note that it may take up to three weeks to process your document and for your “To-Do List” items on your MyCSUEB account to be updated. Avoid delay by applying early and submitting documents as soon as possible in the approved format.

For a complete list of admissions deadlines, visit https://csueastbay.edu/deadlines.

*All acceptances are conditional and contingent upon the successful completion of ongoing coursework.
