## How to Designate Where You Will Complete Early Start

Students required to complete a summer Early Start course can take the class at Cal State East Bay or another Cal State campus. Dates and times of the courses available are listed at [www.csusuccess.org/earlystart](http://www.csusuccess.org/earlystart). Choose the option most convenient for you. Online classes are available.

**If you are required to do Early Start, indicate where you will complete your course by June 15.**

**Step 1: Log into MyCSUEB at <http://my.csueastbay.edu>.**

**Step 2: Click on the "Application Status" link on the Applicant tab.**

**Step 3: Click the "Early Start Program Smart Page" button.**

**Step 4: Use the drop down menus to indicate where you will complete Early Start – at CSUEB or another CSU campus.**

If you indicate you will take Early Start at CSUEB, in May you will receive an email with instructions on registering for the course and submitting payment. *Please note If you take the Early Start Math class at CSUEB there is a fee (typically less than \$40) for access to the ALEKS system through which the course is taught. The fee is not covered by the Early Start Fee Waiver.*

If you indicate you will take Early Start at another CSU campus, you will receive correspondence directly from that campus (not CSUEB) with course registration instructions.

If you have questions, contact the Early Start Office at
