The American Language Program (ALP) strives to offer the highest quality academic and cultural programs and activities for a diverse international population. For over three decades, our international staff and instructors have offered the resources and support to students from over 50 countries to achieve their personal, academic, and career goals. This summer whether you’re interested in improving your conversation or business English skills, preparing for IELTS exam, or experiencing life at an American university, we have a program for you!

California Summer Experience

Come meet other international students who are learning about American culture and practicing their English conversation skills. You will enjoy classes in the morning, fun themed activities in the afternoon, and you can practice your English with your local host family in the evening.
