Cabrillo College 2026-2027

Requirements for Cal-GETC
Associate in Arts and Associate in Science Transferable Degrees (A.A., A.A.-T, A.S., & A.S.-T)

STUDENT NAME: _____ Student ID #: _____Date: _____

Common Course Numbered courses are identified by a four-character department, followed by the letter "C" and a four-digit course number. Some courses have changed prefixes and numbers to align with Common Course Numbering. For example, ENGL 1A has become ENGL C1000. The GE area requirements may still be fulfilled by the course as it was formerly numbered. Please consult with an academic counselor.

Key:
* indicates Cal-GETC courses that also meet a CSU U.S. History, Constitution, & American Ideals requirement.
° indicates courses with an imbedded lab that will also satisfy Area 5C.

Requirements for the Cal-GETC A.A., A.A.-T, A.S., A.S.-T degrees (2.4 GPA minimum for UCs, 2.0 GPA minimum for CSUs)

* indicates Cal-GETC courses that also meet a CSU U.S. History, Constitution, & American Ideals requirement.
° indicates courses with an imbedded lab that will also satisfy Area 5C.

60 units: Units from other community colleges must be verified on ASSIST at www.assist.org. For units from out-of-state schools or 4-year universities, a Cabrillo College academic counselor must verify their transferability. Please note that any UC or CSU unit totals are advisory. Official transcripts from all institutions attended must be submitted.

General Education: Complete 34 semester units of general education (Areas 1 through 6). The units will be counted only once toward the degree. Courses may be used to satisfy both a general education and major requirements. Courses listed in more than one GE area can fulfill only one GE area. All courses in GE must be completed with a "C" or better. Some AP and IB scores may be used for Cal-GETC; CLEP scores may not be used. See an academic counselor.

Major: All courses in the major emphasis must be completed with a "C" or better.
Generally, A.A. and A.S. degrees require a minimum of 18 units in the major.
Some A.S. degrees (such as Astronomy, Biology, Chemistry, Computer Science, Engineering, Geology, Math, and Physics) require a minimum of 30 units in the major.

Apply for Graduation: Make an appointment with an academic counselor in the semester you are completing all of the degree requirements. Please check the dates and deadline calendar on the Admissions & Records website. Transfer Applications for CSU and UC are typically open October through November for Fall admission. Assistance with transfer applications is available at the Transfer Center.
