College of the Siskiyous
Cal-GETC
2026-2027

The California General Education Transfer Curriculum (Cal-GETC) is the singular general education pathway for California Community College (CCC) students to fulfill lower-division general education requirements necessary for transfer and admission to both the California State University (CSU) and the University of California (UC).

Any course completed in areas 1-6 must be a minimum of 3 semester or 4 quarter units. All general education courses must be completed with a "C" or better grade. Common Course Numbering (CCN) courses are identified with a C before the course number. To learn more about CCN please visit https://www.cccco.edu. Courses that are listed in more than one area may only be used to satisfy one general education requirement. Courses on this list may also count towards a specific major. In addition to these general education requirements, students must complete the major requirements, electives to reach 60 UC or CSU transferable units, and a minimum cumulative grade point average (GPA) of a 2.00. ***All students must meet with an advisor or counselor to discuss their educational goals and to create an educational plan.*** *Updates to Cal-GETC are available on the COS website: http://www.siskiyous.edu/counseling/advisingresources.htm*
