2026-2027 California General Education Transfer Curriculum (Cal-GETC)

Effective Fall 2026 through Summer 2027

Student Name_____ Campuswide ID_____

The California General Education Transfer Curriculum (Cal-GETC) is a series of courses that California community college (CCC) students may complete to satisfy the lower-division breadth/general education requirements before transferring to the California State University (CSU) or to the University of California (UC). CCC can certify completion of Cal-GETC, which is accepted by all the CSU campuses and many majors at all UC campuses. A course can only be certified if it was approved for Cal-GETC when it was taken. Courses on this list are approved for academic year 2026-2027. For a complete listing of courses, their approval dates, and any transfer credit limitations, visit ASSIST.org. All courses must be completed with grades of "C" or better OR with a "Pass" if the course was taken on a Pass/No Pass (P/NP) basis and the Pass is equal to a C grade or higher. Many colleges and universities require letter grades for major coursework, and/or have other restrictions on P/NP grades. Students are advised to consult with a counselor/academic adviser before selecting the P/NP option. See a counselor/academic adviser about UC majors, colleges, and professional schools which do not accept Cal-GETC, and for other transfer requirements. Upon enrolling in final course requirements and receiving conditional admission to the university, students must submit a request for certification to the De Anza College Admissions and Records Office. General Education (GE) Certification Request forms are available online at: https://www.deanza.edu/admissions/evaluations/generaleducation.html
