This information is for students entering DVC fall 2026 or later.
For courses completed prior to fall 2025, please see a counselor.

Cal-GETC for CSU or UC

Option 2 for DVC AA/AS GE

2026-2027

June 1, 2026

Diablo Valley College
California General Education Transfer Curriculum
Effective Fall 2026 through Summer 2027

NOTE: Subject to change. See a counselor or www.assist.org for more information.

Courses used for Cal-GETC must be completed with a minimum grade of "C" or higher.

Upon completion of this pattern of courses, DVC will certify that a student's lower division general education requirements are completed for any of the 22 CSU or for many majors at UC campuses. **Certification is not automatic; you must request certification with your final transcript through the DVC Admissions Office.**

Cal-GETC is not recommended for all majors. See www.assist.org, check the individual campus website, or meet with a counselor for CSU/UC campus and/or major specific information.

To transfer as a Junior to CSU or UC you must complete at least 60 CSU or UC-transferable units.

NOTE: A course or exam may be listed in more than one Cal-GETC area but may be used to satisfy only one subject requirement with exception of Language Other Than English (LOTE) and U.S. History, Constitution and American Ideals.

The GE approvals on this sheet apply to courses taken during the 2026-2027 academic year. GE area approvals are only valid if approved the year the course was taken. For the most current information or for course approvals from different academic years, visit www.assist.org and/or consult with a DVC counselor on a regular basis. Courses taken prior to fall 2025 may be used for general education only if they were approved for a corresponding IGETC/Cal-GETC area during the year they were taken.

See a counselor or DVC catalog for use of IB exams to meet these requirements. CLEP exams cannot be used for Cal-GETC.

Common Course Numbering System

The Common Course Numbering (CCN) System is a state-mandated initiative (AB1111) aimed at simplifying student transfer and ensuring uniformity in course numbers across California Community Colleges. **While courses across the community college system will have the same course numbers, students should still use ASSIST.org to confirm GE approvals and articulation agreements for each individual course.**

Beginning Fall 2025, Diablo Valley College will switch to a new course numbering system. This new system, called the Common Course Numbering (CCN) system, will use the following structure:

Common Course Numbering System and Prefix Code Changes

- Courses identified as common will feature a "C" in their catalog numbers.
- Course numbers with the letter "E" include embedded support.
- Above subject area prefixes and titles have changed to align with statewide standards.

Revisions, including new course numbers and subject prefixes, will be clearly indicated in the college catalog and class schedules to help students easily identify and navigate these changes.

For the latest information about Common Course Numbering, including an updated list of courses and answers to frequently asked questions, please visit the Common Course Numbering page on the DVC website.
