Cal-GETC Advisement Sheet (2026-2027)

Los Angeles City College (LACC) | California General Education Transfer Curriculum

Cal-GETC is a singular general education (GE) pathway for California Community College (CCC) students transferring to a **California State University (CSU)** or **University of California (UC)** and/or pursuing an Associate Degree for Transfer **(ADT)**. Cal-GETC certification is not a requirement for admission to most UCs and CSUs, nor is it advisable for all transfer students. It is highly recommended that a student meet with a counselor to determine the appropriate general education option or transfer pathway based on a student's major and selected transfer institutions. This advisement sheet applies to courses completed at LACC. Course approval and GE applicability can differ between CCCs, including courses within LACCD that have the same course name and number. To verify the accuracy of the information on this advisement sheet and to review approved courses including effective and ineffective dates at LACC and other California Community Colleges, please consult **ASSIST.org**.

Courses with an underline denote a science lecture with a lab component included (i.e., courses will satisfy 5A *and* 5C or 5B *and* 5C). Lab courses offered separately must be taken with the corresponding lecture either concurrently or after successful completion of the associated science lecture (e.g., ASTRON 001 & 005, GEOG 001 & 015, GEOLOGY 001 & 006, and PHYSICS 012 & 014). 7 sem or 9 qtr units

Not part of Cal-GETC, may be completed prior to transfer. Courses used to satisfy this requirement may also be applied (i.e., "double counted") if approved for Cal-GETC Areas 3B, 4, or 6. Select **one course from US-1** and **one course** (AFRO AM 007 or POLS C1000) **to satisfy US-2 & US-3**.

(OPTIONAL) UC GRADUATION REQUIREMENT: LANGUAGE OTHER THAN ENGLISH (LOTE)

Not part of Cal-GETC and not required for UC admission; completion encouraged prior to transfer. Each UC campus has its own guidelines for the LOTE graduation requirement. Please meet with a counselor to determine whether the UC campus and/or major you are applying to requires foreign language and will accept Cal-GETC LOTE certification to satisfy the requirement. Cal-GETC LOTE can be certified through the following:

	N	IP	C
1. **High School** coursework (in an English-language institution): Complete the second level of HS coursework in a LOTE with a "C-" or better in the second semester of the second year. 2. **College/University** coursework: Complete LACC courses level 001 or higher in any of the following approved foreign language courses: American Sign Language, Arabic, Armenian, Chinese, French, Japanese, Korean, Russian, Spanish OR complete college coursework equivalent to two years of high school study (typically one semester). 3. **Foreign/International high school attendance** (at a non-English-language institution): Formal schooling through at least the sixth-grade level or higher can be used to satisfy LOTE. Students who have completed formal schooling through the ninth grade or above where the language of instruction is not English should not complete lower-level college language coursework in the same language. 4. **Examinations** including SAT Subject Tests in languages other than English, AP/IB Exams, GEC Examinations as listed in Cal-GETC Standards Version 1.4 (10.4.1) *Course or AP/IB:* _____ *College:* _____	☐	☐	☐

Important Reminders:

- Cal-GETC courses must be completed with a **grade of "C"** or better. A grade of Credit "CR" or Pass "P" may be used if the college policy states it is equivalent to a grade of "C" or better.
- No more than **14 semester units** (21 quarter units) of **Pass/No Pass** (Credit/No Credit), excluding credit by examination, may be used toward Cal-GETC certification.
- Although courses may be listed in multiple general education areas (1-6), a course can be **applied to only one GE subject area**; exception applies to courses used to satisfy CSU American Institutions and UC LOTE.
- Courses from foreign institutions cannot be used for Cal-GETC certification unless the institution is accredited by an approved ICAS accreditor (formerly regionally accredited). CSU or UC campuses may apply international coursework to meet their campus-specific breadth requirements.
- Students with **catalog rights prior to fall 2025** may have the option to follow the former transfer general education patterns (**CSU GE or IGETC**).
- Students who completed IGETC-approved courses prior to fall 2025, including courses that are no longer active in assist.org, may apply those courses in the same Cal-GETC area(s) for certification (e.g., COMM 121 completed at LACC in fall 2022 was IGETC 1C approved at the time it was taken, therefore, it can be applied to meet Cal-GETC 1C).
