Moreno Valley College
California General Education Transfer Curriculum (Cal-GETC) 2026-2027
For Transfer to CSU and UC

Completion of the California General Education Transfer Curriculum (Cal-GETC) will permit a student to transfer from a California Community College (CCC) to a California State University (CSU) campus or University of California (UC) campus without the need to take additional lower-division general education courses. For certain majors at some of the UC campuses it may be more advantageous to complete a campus-specific general education pattern. Cal-GETC certification is valid for community college transfer students only. A course can only be certified if it was approved for Cal-GETC when it was successfully completed. This is the approved list for courses taken Fall 2026 through Summer 2027. See www.assist.org for prior years. Students who completed IGETC-approved courses prior to Fall 2025, including courses that are no longer active in assist.org, may apply those courses in the same Cal-GETC area(s) for certification.

Note: Riverside City College and Norco College are separate colleges and the courses that are approved for Cal-GETC may vary by college. Students who wish to take courses at another institution and apply them towards Cal-GETC should always first consult with a counselor to make sure the course will fulfill the intended requirement.

Transfer students will receive Cal-GETC certification after completing all of the subject areas below with a min. "C" grade or better (A grade of "C-" is not acceptable.)

UC Graduation Requirement only – Language Other Than English (Not required for Cal-GETC):

Although not part of Cal-GETC, CCCs may certify completion of Language other than English (LOTE) for those students pursuing the Cal-GETC pattern, given that some UCs may require LOTE for graduation and accept certification from CCCs. SPA-2, 3, or 4 may also be used to fulfill Cal-GETC area 3B.

Select one course:

ASL-1 American Sign Language 1	SPA-1 Spanish 1	SPA-3 Spanish 3
ASL-2 American Sign Language 2	SPA-2 Spanish 2	SPA-4 Spanish 4

Or : Proficiency equivalent to two years of high school in the same language. (Students from non-English speaking countries should see a counselor for language proficiency equivalencies.)

Cal-GETC Advisement: Former UC, CSU and students with coursework from other four-year institutions, including outside the U.S., should consult with a counselor to determine whether they should complete Cal-GETC or the lower-division general education requirements at the campus they plan to attend.
For the UC: Students who initially enroll at a UC campus, then leave and attend a California Community College, and subsequently return to the same UC campus, are considered "re-admits" by the UC. Such students cannot use Cal-GETC. However, students who enroll at a UC campus, then leave and attend a California Community College, and subsequently return to a different UC campus may use the Cal-GETC pattern. It is recommended that students meet with a counselor to discuss possible further Cal-GETC limitations.

Notes:

1. **Courses cannot be double-counted to satisfy more than one Cal-GETC area, even if a course is listed in more than one Cal-GETC area.**
2. **** UC limits transfer credit for some courses. Students may review the UC Transfer Course Agreement (TCA) with a counselor for information on course limitations.**
3. **A grade of "P" in approved coursework taken as Pass/No Pass through RCCD is acceptable for Cal-GETC certification. It is important to keep in mind that some CSU and UC campuses may have limitations on the number of "Credit/No Credit" ("Pass/No Pass") courses that may be used to meet degree requirements. The UC system allows a maximum of 14 semester units graded "Pass/No Pass" (Credit/No Credit) basis of the 60 transferable semester units required for admission. There is no system-wide policy for CSU campuses. Therefore, each campus has established its own policy on limitations of courses transferred with grades of "Credit/Pass". *No more than 14 semester units (21 quarter units) of Pass/No Pass (Credit/No Credit), excluding credit by examination, may be used toward Cal-GETC certification.***
4. **Some of the UC campuses do not accept or recommend Cal-GETC for certain majors, (*i.e.* Engineering, Math, Sciences). Students should consult with a counselor to determine the most appropriate general education pattern for their major and intended transfer institution.**
5. **For any new student who begins at a California Community College in Fall 2025 or beyond, Cal-GETC is the singular general education pattern for transfer to a CSU or UC. Students with continuous enrollment prior to 25-26, who already completed the CSU GE or IGETC pattern prior to Fall 25, or who previously completed an ADT may be eligible for CSU GE or IGETC certification. Students should meet with a counselor for more information.**
6. **There may be transfer limitations on certain types of credits - please consult with a counselor to discuss any such limitations.**
7. **It is highly recommended to make an appointment with a counselor to complete a student educational plan (SEP).**
