# PALOMAR COLLEGE

## The California General Education Transfer Curriculum (Cal-GETC)

## Fall 2026 - Summer 2027

Completion of Cal-GETC will permit a student to transfer from a California Community College to a California State University or a University of California campus or program generally without the need, after transfer, to take additional lower-division, general education courses to satisfy campus general education requirements. Although it is strongly recommended to complete Cal-GETC prior to transfer, completion of Cal-GETC may not be appropriate for some engineering, math, science, or other high unit majors. Please see a counselor for details.

***A course must have a minimum unit value of 3 semester units to meet the requirements for Cal-GETC.***
***A minimum "C" grade is required in each college course for Cal-GETC. A "C" is defined as a minimum of 2.0 grade points on a 4.0 scale.***
