CALIFORNIA GENERAL EDUCATION TRANSFER CURRICULUM (Cal-GETC)

2026-2027 Certification Requirements

The California General Education Transfer Curriculum (Cal-GETC) is a new general education program that allows California Community College students to fulfill lower-division general education (GE) requirements for either the CSU or UC system without the need, after transfer, to take additional lower-division GE requirements. **SIXTY (60) CSU/UC TRANSFERABLE UNITS** of Major and GE courses with a grade of "C" (or P) are required for transfer. Transfer students should: (1) meet with a counselor to create an **EDUCATIONAL PLAN** that will assist in identifying appropriate major and GE requirements; (2) request a **Cal-GETC CERTIFICATION** (when final transcripts are requested) to be sent to the transfer institution; and (3) with a counselor's assistance, determine eligibility for an Associate's Degree and/or an Associate's Degree for Transfer. All courses are 3 units unless otherwise noted. Completion of the pattern also satisfies the requirements for the Certificate of Achievement in Transfer Studies.
