Cal-GETC

California General Education Transfer Curriculum (Cal-GETC) 2025-2026 Advising Form

- Completion of Cal-GETC will permit a student to transfer from a community college to a campus in either the University of California (UC) or the California State University (CSU) without the need, after transfer, to take additional lower division general education courses.
- A minimum of 60 UC/CSU transferable units is generally required for transfer. For other transfer requirements, please see a counselor.
- Cal-GETC may not be recommended for some majors.
- The course requirements for **ALL** areas must be completed **PRIOR** to transferring to the CSU or UC for Cal-GETC to be certified.
- All courses must be completed with a grade of "C" or better.
- PLEASE NOTE: UC and CSU are still reviewing courses for Cal-GETC approval. This form is subject to change.

OPTIONAL CSU Graduation Requirement (Not part of CAL-GETC): United States History, Constitution and American Ideals
The CSU has an American Institutions requirement that is separate from general education. Courses used to meet this requirement may be also
used to satisfy requirements for Cal-GETC, depending on the receiving CSU campus's policy. It is recommended that this requirement be met prior
to transfer. The following will meet the CSU American Institutions requirements: 6 units, one course from Group 1 and one course from Group 2:
Group 1: Chicano Studies (CS) 108; History (HIST) 101, 102, 103+, 108 Group 2: Political Science (POL/POLS) C1000+, 201+
Course:
Course: College: AP exam:
/ J.

UC-bound students should be aware of American history and institution requirements vary by campus. See a counselor for details.

OPTIONAL UC Graduation Requirement (Not part of CAL-GETC): Language Other Than English

Some UC campuses or programs have a LOTE requirement: https://admission.universityofcalifornia.edu/counselors/uc-graduation-requirements/

Cal-GETC is not effective until Fall 2025. Courses are still being reviewed by CSU and UC. This form is for initial planning purposes only for first-time students who will begin college in Fall 2025 or returning students who did not attend college during the 2024-2025 academic year, and is subject to change.
