California General Education Transfer Curriculum (Cal-GETC)

The California General Education Transfer Curriculum (Cal-GETC) is a series of courses that prospective transfer students attending California Community Colleges (CCC) may complete to satisfy the lower-division general education (GE) requirements at both the University of California (UC) and the California State University (CSU). Many independent/private and out-of-state colleges and universities also accept Cal-GETC.

Students intending to transfer into majors that require extensive lower-division preparation, such as engineering or the natural sciences, should concentrate on completing the major courses while meeting minimum admission requirements.

The courses on the previous page are **Cal-GETC APPROVED FOR MADERA COMMUNITY COLLEGE ONLY**. Students completing courses at other California Community Colleges, in particular Fresno City College, Reedley College, and Clovis Community College, should carefully review course differences in Cal-GETC placement on www.ASSIST.org.

Courses Completed at Other California Community Colleges (CCC)

Courses taken at more than one CCC may be used to fulfill Cal-GETC. Coursework may only be applied to the Cal-GETC area for which it was approved at the community college where and when it was completed. Refer to www.ASSIST.org for a list of CCC courses that satisfy Cal-GETC requirements.

GE Credit by Exam

Credit may be earned for Advanced Placement (AP) exams and International Baccalaureate (IB) Higher Level exams toward Cal-GETC. See the Madera Community College catalog for details. Students should be aware that college courses may duplicate the content of AP examinations. The university may not award credit for both the course and the AP exam. Some UC campuses may require higher exam scores for subjects within the major. Refer to each institution's policy on how AP credit is granted for the major. CLEP exams are not accepted for Cal-GETC.

U.S. History, Constitution, and American Ideals for CSU only

A U.S History course (HIST 11, 12, 12H, or 22) and a U.S. Government (including California) course (POLS C1000 or C1000H) is required for CSU graduation. Though not required to complete Cal-GETC, these courses may satisfy AREA 3B or AREA 4.

Cal-GETC Certification

Students who have completed courses at more than one college should have their coursework certified by the last California Community College attended for a regular term before transfer.

CERTIFICATE OF ACHIEVEMENT: Cal-GETC (M.5901.CA)

Students who complete the Cal-GETC pattern and meet the residency requirement are eligible to apply for the Certificate of Achievement from Madera Community College.
