# California General Education Transfer Curriculum (CalGETC)

The California General Education Transfer Curriculum (CalGETC) is a series of courses that prospective transfer students attending California Community Colleges (CCC) may complete to satisfy the lower-division general education (GE) requirements at both the University of California (UC) and the California State University (CSU). Many independent/private and even out-of-state colleges and universities may also accept the CalGETC. Students intending to transfer into majors that require extensive lower-division preparation, such as engineering or the natural sciences, should concentrate on completing the prerequisites for the major while meeting minimum admission requirements.

The above courses are **CalGETC APPROVED FOR REEDLEY COLLEGE ONLY**. Students completing courses at other California Community Colleges, in particular Fresno City College, Clovis Community College, and Madera Community College, should carefully review course differences in CalGETC placement on [www.ASSIST.org](http://www.ASSIST.org)

## CalGETC Certification

Students who have completed courses at more than one CCC should have their coursework certified by the last CCC they attended for a regular term before transfer. It is the student's responsibility to request CalGETC Certification. Students can request certification through the Reedley College Transfer Center website.

## Partial CalGETC Certification

At this time, partial CalGETC certifications aren't allowed.

## GE Credit by External Examination

Credit may be earned for Advanced Placement (AP) exams and International Baccalaureate (IB) Higher Level exams toward CalGETC. Students should be aware that college courses may duplicate the content of examinations. The University may not award credit for both the course and the exam. Some UC campuses may require higher exam scores for subjects within the major. Refer to the campus regarding how AP credit is granted for each major. CLEP exams are not accepted for CalGETC.

## Courses Completed at Other California Community Colleges (CCC)

Courses taken at more than one CCC may be used to fulfill CalGETC. Coursework may only be applied in the CalGETC area it was approved at the community college where it was completed. Refer to [www.ASSIST.org](http://www.ASSIST.org) for a list of CCC courses that satisfy IGETC requirements.

## U.S. History, Constitution, and American Ideals for CSU only

A U.S History course (HIST 11, 12, 12H, or 22) and a U.S. Government (including California) course (POLS C1000 or C1000H) is required for CSU graduation. Though not required to complete CalGETC, these courses may satisfy AREA 3B or AREA 4.

## CERTIFICATE OF ACHIEVEMENT: CalGETC (R.XXXX.CA)

Students who complete the CalGETC pattern and meet the residency requirement are eligible to apply for the Certificate of Achievement for **CalGETC** from Reedley College.
