

Assessment Presentations and Publications

These are selected presentations and publications from a cross-section of faculty, leadership, and staff across the campus highlighting successful approaches for learning and assessment of institutional and general education outcomes. The most recent are listed first from a presentation in collaboration with the CSU in April of 2021, to our first Symposium in 2013.

Presentations		
Cal State East Bay Campus	CSU- Wide	Regional/National
<i>Back to Basics with Assessment: Back to the Bay, 2020</i>	<i>A Closeup of Core Competency Assessment at Cal State East Bay through and Equitable Lens, 2021.</i>	<i>Lessons Learned from WSCUC's Community of Practice Initiative, 2019</i>
