Q1

**Teamwork and Leadership Student Survey**

Please complete this short 4-question survey to better understand activities where you are developing skills as a team member and leader as a result of your experiences as a student at Cal State East Bay so far. Team member skills include helping a group move toward team goals. Leadership skills include facilitating the work and advancement of a team through the use of leadership strategies and principles to move toward team goals.

Your input is very valuable and will be used by the University to improve learning experiences for students both in and outside of the classroom.

Q1

Where at Cal State East Bay are you developing skills as a **team member**?  
Team member skills include helping a group move toward team goals.  
*Check all that apply:*

- Clubs and Organizations (includes cultural, religious, sports and recreation, special interest, fraternities and sororities, discipline-specific, student government)
- Community Service (also called community engagement, service learning)
- Courses
- Internships connected to a course
- On-campus paid employment
- Research and Scholarship opportunities (e.g. working in a research lab, research assistant)
- Student leadership (ambassador, resident assistant, orientation team leader, peer academic coach, wellness educator)
- I have not engaged in team member activities at Cal State East Bay

Q2

Based on your responses to the previous question:

- Describe the two most important skills you learned as a team member while a student at Cal State East Bay:

- Where did you learn these skills?

- How have you applied these leadership skills?

Q3
