

**Cabrillo College 2021-2022**  
**Combined Requirements for the Transferable Associate Degree and**  
**CSU General Education**

<b>NAME:</b>	<b>Date</b>
--------------	-------------

**Requirements for the CSU GE AA degree (minimum 2.0 GPA required):**

1. **60 CSU transferable units.**  
 Use of units from other community colleges must be checked on ASSIST at [www.assist.org](http://www.assist.org). A Cabrillo College counselor must check use of units from out of state or 4-year universities – you must provide official transcripts from all schools attended.
  2. **General Education**  
 Complete at least 30 units of general education including all of Area A and Area B4, which **must be completed with a “C -” or better**. Students who complete only 30 units will have at least 9 units of lower-division GE courses to complete upon transfer. It is advisable to complete all 39 units of lower division general education before transfer and to have your GE fully certified. Full GE certification is required for the AA-T/AS-T degrees. Courses may be used to satisfy both major and general education requirements – the units will be counted only once for the degree.
  3. **Multicultural course**  
 Complete one multicultural course marked with a # (not required for the AA-T/AS-T degrees).
  4. **Major – For Students beginning F’10, all courses in the major or emphasis must be completed with a “C” or better.**  
 This worksheet can be used for the following degrees:
    - o **AA degree in Liberal Arts and Sciences:** For students entering Cabrillo College beginning F’08, the Liberal Arts and Sciences degree requires an 18 unit emphasis. Beginning F’14, this emphasis is limited to Interdisciplinary Studies—6 courses chosen from a combination of Areas A, B4, C, D & F. The complete list of approved courses for this emphasis is listed in the current Cabrillo catalog.
    - o **AA degree in a specific discipline:** 18 units are required using the transfer requirements on ASSIST as a guide
    - o **AS degrees in Astronomy, Biology, Chemistry, Computer Science, Engineering, General Science, Geology, Mathematics or Physics:** At least 30 units are required using the catalog model program or the transfer requirements on ASSIST as a guide.
- Students transferring to CSU should complete the lower division major preparation courses required by the 4-year school for their chosen major for their BA or BS degree. It is advisable to work with a Cabrillo College counselor and/or consult [www.assist.org](http://www.assist.org) for major preparation courses required or recommended before transfer.  
 Courses may be used to satisfy both major and general education requirements – the units will be counted only once for the degree.

**To file a petition for this degree—make an appointment with a counselor during the semester in which you are completing all of the requirements.**

**GENERAL EDUCATION: 39 UNITS RECOMMENDED—30 Required (Including all of Area A & B4)**
