2020-21**

**California State University**

## **GENERAL EDUCATION BREADTH**

*Effective Fall 2020, Spring 2021, Summer 2021*

### **CSU GE & Transfer FAQs**

**What is CSU GE Breadth?** A general education course pattern created for transfer admissions to any California State University (CSU) [campus](#).

#### **How should I prepare to transfer?**

- ⇒ Explore [majors](#) and [careers](#) aligned with your motivations for attending college.
- ⇒ Manage your time. Schedule enough hours to study outside of class time.
- ⇒ Plan to study *two hours per week* for each unit enrolled (ex.: 12 units = 24 hours study per week)
- ⇒ Work for the best grades possible. Earning a higher GPA gives you more options.

#### **What classes do I need to complete for CSU transfer?**

- ⇒ Complete the “[Golden Four](#)” > CSU GE Areas A1, A2, A3 and B4.
- ⇒ Early on, enroll in courses required for your major.
  - ⇒ Some major requirements may also satisfy general education requirements (ie. double-count).
- ⇒ Whenever possible, choose CSU GE classes of interest.

**How do I find the courses required for my major?** Go to [ASSIST](#) (www.assist.org). If applicable, complete an [Associate Degree for Transfer](#) (ADT) at Chabot College. For ADT degrees, see the Chabot College [Catalog](#) and/or [DegreeWorks](#).

**What else should I know about CSU GE?** Area F is not required prior to transfer, only for CSU graduation. However, courses in Area F can also be used in Area D (double counted).

**Note:** Each year the CSU GE pattern is updated, so select courses from the [current year's agreement](#).

#### **How can I get more help with transfer?**

- ⇒ Make an appointment with a Chabot College Counselor to develop a [Student Educational Plan](#) (SEP) to clarify your goals and to map your course requirements.
- ⇒ Join a Chabot College [First Year Experience](#) (FYE), [Special Program](#), and/or take a [Psychology-Counseling](#) (PSCN) course to enhance college success.
- ⇒ Meet with transfer reps & attend workshops in the [Transfer Center](#). Attend Chabot College Transfer Day.
- ⇒ Visit/tour transfer schools.

**What is CSU GE certification?** A process in which Chabot College verifies that your CSU GE is completed. After you have accepted an offer of admission to a CSU campus, you must submit a petition to the Chabot Admissions Office requesting CSU GE [certification](#). If CSU GE isn't completed prior to transfer, partial certification of CSU GE is also available. Certification is automatic for students who [apply for](#), and earn, AA-T or AS-T degrees.
