**IMPORTANT INFORMATION**

- Courses may be listed in more than one area but will not be certified in more than one area.
- A course with the code (F') indicates the year a course was approved in the designated general education area.
- Certification is not a CSU admission requirement. Requirements are subject to change. Please work with a Citrus College counselor to develop an education plan that includes major preparation.
- **\*\*Courses taken at regionally accredited colleges or universities that are not part of the California Community College system can meet general education requirements on the CSU GE/Plan B.**
- @ Notation in CSU GE Areas A1, A2, A3, and B4 indicates grades of "C-" can be used to meet CSU GE Areas A1, A2, A3, and B4 for CSU admissions. However, if the CSU Area A1, A2, A3, or B4 course double counts as a general education and major requirement, a "C" or better grade is recommended for certification.
