CSU TRANSFER INFORMATION

“Golden Four” Requirement

Areas A1, A2, A3, and B4 are considered the “Golden Four” and must be completed with grades of “C” or higher. Note: High unit programs (e.g. Engineering) may not need Area A3 Critical Thinking prior to transfer.

Junior Status

A student is required to earn 60 CSU transferable units with a minimum 2.0 GPA, including general education courses, major requirements, and/or general electives. A maximum of 70 units may be transferred.

Many CSU campuses will NOT allow students to complete minimum coursework required for admission in the Summer term prior to Fall admission, nor in the Fall prior to Spring admission. Please visit a counselor at College of Marin for specific campus deadlines.

Specific Campus Requirements

Foreign Language: Some campuses require foreign language for graduation. Certain programs may have a foreign language requirement. For specific requirements, consult university catalogs or a counselor.

Multicultural/Ethnic Studies: Many CSU campuses require this for graduation. Some campuses require that the course be upper division. Please see a counselor for additional campus requirements.

GENERAL EDUCATION CERTIFICATION

General Information

Certification refers to an official notification from a community college that a transfer student has completed the entire lower-division General Education requirements for the CSU Bachelor’s Degree.

Please request the certification at the last community college you attend prior to transfer. COM transfer students, please request CSU GE Certification during your last term at College of Marin through Enrollment Services.

39 units may be completed and certified in full or in part at College of Marin.

Full Certification is given to students who have completed all areas of the CSU General Education Pattern outlined on the reverse side of this document.

Subject Area (partial) Certification can be granted for one or more completed area (A-F), if all areas of the CSU General Education Pattern have not been completed.

US History, Constitution and American Ideals

All CSU campuses require a U.S. history and an American government course for graduation. This requirement may be met prior to transfer but it does not impact certification of General Education.

The information on the front and back of this document was prepared based on data available at the time of publication and is subject to change. The current information can be found at www.assist.org
