Important Information

- Courses may be listed in more than one area but will not be certified in more than one area.
- Certification is not a CSU admission requirement. Requirements are subject to change.
- Please work with a counselor to develop an educational plan that includes major preparation.
- Advanced Placement (AP), International Baccalaureate (IB) and College Level Examination Program (CLEP) examinations may be used in the certification of CSU General Education- Breadth requirements. Check with a counselor or the college catalog to see the scores required, the number of units accepted upon transfer admission, and how each examination might clear a specific CSU GE-Breadth requirement.
- Courses taken at regionally accredited colleges or universities that are not part of the California Community College system can meet general education requirements for CSU GE.
- Disclaimer: Every effort has been made to ensure the information below is accurate and timely. However, this information is unofficial and should be checked against the official information found on the ASSIST website @ www.assist.org.
- CSU Application Period: Fall 2022: October 1st-November 30th @ www2.calstate.edu/apply; spring admission varies by campus.
- Students are highly encouraged to attend CSU Application Workshops. See the Transfer Center website for more information.

"C-" grades can be used to meet CSU GE Areas A1, A2, A3, and B4 for CSU admissions. However, if the CSU Area A1, A2, A3, or B4 course double counts as a general education and major requirement, a "C" or better grade is recommended for certification.
