

CSUGE Transfer Pattern 2019-2020

Citrus College General Education Pattern for Transfer to the California State University System

General Education (GE) consists of courses selected from a variety of disciplines, intended to provide a well-rounded education. Completing a GE pattern is one of the recommended components for transfer to any CSU. Other transfer components include grade point average and preparation for the major coursework. Please visit the Transfer Center or Counseling office to obtain all the requirements for transfer to a CSU.

GOLDEN FOUR: Areas – A1, A2, A3 and B4 are required for admission into any CSU. P/NP grades are **not** recommended in these Areas, as many CSU campuses require letter grades of “C-” or better for graduation

Minimum admission eligibility for upper division transfer applicant: (1) completion of at least 60 transferable units with a minimum GPA of 2.0; (2) within total units completed, completion of a minimum of 30 lower division units of General Education/Breadth; and (3) completion of areas A1, A2, A3 and B4 with a grade of “C-” or better.

Students are encouraged to see a counselor or advisor by appointment to discuss transfer and the CSU-GE Breadth option as part of a student educational plan.
