

CSU General Education/Breadth Requirements

Since 1981, the California State University (CSU) has required that a minimum of 48 semester units of general education courses be completed before a baccalaureate would be awarded. Up to 39 of these units may be certified by a community college.

In order to facilitate the transfer of West Valley College students who plan to attend a CSU campus, our certification of general education requirements may include previously completed courses from other institutions as well as courses completed at West Valley College. Courses completed at other institutions must be evaluated by the Records Office. It is the student's responsibility to provide: (a) an official copy of his/her transcripts; and (b) submit a Transcript Evaluation Form to Counseling Office.

- Completions of Area A1, A2, A3 and B4 with a letter grade of "C" or better, 60 transferable units with a cumulative GPA of 2.0 are required for admission.
- Courses may be used to satisfy both major and general education requirements-the units will be counted only once for the degree.
- It is recommended that CSU transfers complete the "U.S. History, Constitution and American Ideals" requirements prior to transfer.
- Certification – For students completing CSU general education pattern, the entire pattern should be completed in order to obtain full certification prior to transferring. To receive partial certification, the CSU campuses will accept one or more completed **AREAS**.
- It is advisable to complete the lower division major preparation courses required by the CSU campus – visit ASSIST.org for more information.
- Advanced Placement test scores of 3 or better can be used to clear one general education course requirement per exam. Please see the AP chart in the West Valley College catalog.

Note: There are instances when a WVC course is approved for CSU GE but the same course at Mission College is NOT approved for the same CSU GE (or vice versa). Use ASSIST. View the CSU GE list for the college in which you are enrolled to confirm CSU GE applicability.

Intersegmental General Education Transfer Curriculum (IGETC)

IGETC is a series of courses that community college students can use to satisfy lower division general education requirements for any CSU or UC campus. IGETC is an alternative to the CSU and local UC General Education-Breadth requirements. Many private universities also recognize IGETC for fulfillment of general education requirements. IGETC is a good option for the student who intends to transfer but is undecided about a major and/or unsure about attending CSU or UC. Some universities do not accept IGETC. Always consult a counselor when developing an educational plan.

- **A grade of “C-“ or better in at least 2 years of the same foreign language in high school will clear the LOTE (Language Other Than English) area.**
- CSU transfers need not complete the (LOTE) Language Other Than English requirement.
- UC transfers need not complete the Oral Communication requirement (Area 1, Group C).
- **Advanced Placement test scores of 3 or better can** be used to clear one course requirement per exam. Please see the AP chart in the West Valley College catalog. The only area in IGETC where AP scores are not appropriate is Area 1-B, the second composition/critical thinking course. UC transfers who will not complete the IGETC are strongly encouraged to consult with a counselor about campus specific provisions for AP credit.
- It is recommended that CSU transfers complete the “U.S. History, Constitution and American Ideals” requirements prior to transfer. Information on those courses can be found on the CSU GE Breadth sheet.
- **Completion of the IGETC is not an admission requirement for transfer to a CSU or UC**, nor is it the only way to fulfill the lower-division general education requirements prior to transfer. Students may find it advantageous to take courses fulfilling the general education requirements or breadth requirements of a particular CSU or UC campus. (SEE a Counselor)
- **Certification** – For students completing IGETC, the entire pattern should be completed in order to obtain full certification prior to transferring. **While it is not advisable, students missing up to two courses may request a partial certification of IGETC. It is the student’s responsibility to request certification.**
- **For UC campuses only, some colleges or schools do not accept the IGETC as complete fulfillment of lower division breadth. The IGETC is not recommended for some majors (engineering, computer science, the biological/physical sciences, and other high unit lower division major prep.) See chart below. Please talk to your counselor about your major and your target UC campuses. For the most recent articulation information, see <http://www.assist.org>.**

Note: There are instances when a WVC course is approved for IGETC but the same course at Mission College is NOT approved for the same CSU GE (or vice versa). Use ASSIST. View the IGETC list for the college in which you are enrolled to confirm CSU GE applicability.

UC BERKELEY	IGETC is highly recommended for all majors in the College of Letters & Science. The Colleges of Engineering, Environmental Design, Chemistry and the Hass School of Business have extensive, prescribed major prerequisites (check ASSIST.org). In general, IGETC is not appropriate preparation for majors in these colleges. Although IGETC satisfies breadth requirements for most majors in the College of Natural Resources, specific lower-division major requirements must be satisfied. All requirements must be completed by spring prior to fall transfer.
UC DAVIS	IGETC works well for Bachelor of Arts majors with few units of lower-division preparation. Bachelor of Science degrees and high-unit majors often have many courses of lower-division preparation. In these cases, IGETC is NOT recommended. Completion of IGETC is optional because major preparation courses should take precedent.
UC IRVINE	All schools accept IGETC. However, selection by the campus is based on demonstrated academic achievement and preparation for the intended major. IGETC may not be ideal for students interested in Engineering. (See above).
UCLA	IGETC is not accepted by the School of Engineering & Applied Science. Completion of IGETC is strongly encouraged by the College of Letters & Science and the School of Arts & Architecture. The School of Theater, Film & Television requires completion of either the school's GE requirements or IGETC for admission.
UC MERCED	The School of Engineering and the School of Natural Sciences do not recommend IGETC. Completion of IGETC is strongly encouraged for the School of Social Sciences, Humanities & Arts.
UC RIVERSIDE	The College of Engineering accepts IGETC, but additional breadth coursework may be required after enrollment. The College of Natural & Agricultural Sciences does not accept IGETC. The College of Humanities, Arts, & Social Sciences accepts IGETC. Business Administration majors must complete IGETC (recommended) or the UCR breadth pattern for the College of Humanities, Arts, & Social Sciences.
UC SAN DIEGO	IGETC is accepted by John Muir, Earl Warren, Sixth and Thurgood Marshall colleges only. Students completing IGETC are welcome at Eleanor Roosevelt and Revelle Colleges; however, they must fulfill the specific GE requirements of those colleges. All majors are available to students in each college, so students who choose IGETC will not be restricted in their choice of major.
UC SANTA BARBARA	Transfers to the College of Letters & Science and the College of Creative Studies may use IGETC to substitute of GE requirements. Engineering transfers may also use IGETC to substitute for GE requirements but must completed a “depth requirement” with a year-long sequence in the history of: World civilization, Western civilization, United States, Western philosophy, or Western art, or with upper division coursework after transfer.
UC SANTA CRUZ	IGETC is not appropriate preparation for majors in the Schools of Engineering or the Division of Physical & Biological Sciences.

2019-2020

General Education/Breadth Requirements for A.A./A.S. Degree for 2019-2020 - Effective: Fall 2019 through Summer 2020

- To earn an AA/AS, complete 60 units with a 2.0 GPA.
- Minimum of 12 units in residence, and no more than 20 units with a Pass/No Pass option.
- Proficiency in Reading, Writing, Math and Information Competency is required for graduation.
- A course may only be used in one category to fulfill requirements in Areas A through G.
- Associate Degree general education requirements are not necessarily the same as general education needed for ADT (AAT/AST) and transfer.

CSU General Education/Breadth Requirements for 2019-2020

❖ **Effective: Fall 2019 through Summer 2020**

Students must complete a minimum of 39 units in the area A-E listed below to be eligible to transfer to a CSU. Courses may be used to satisfy both major and general education requirements – the units will be counted only once for the degree. It is advisable to complete the lower division major preparation courses required by the CSU campus. Consult with a counselor. "Full Certification" or "Partial Certification" may be requested on a Transcript Request form available in the A & R office or on the web. **Courses may NOT be used in more than one area A-E.**

Transfer to All Campuses- UC/CSU

Intersegmental General Education Transfer Curriculum (IGETC) for 2019-2020

❖ **Effective: Fall 2019 through Summer 2020**

For many majors, completion of IGETC courses with a grade of C or better fulfills lower division general education requirements to transfer to the UC & CSU systems (consult with a counselor). SEE EXCEPTIONS ON REVERSE SIDE. A full or partial "Certification" may be requested on Transcript Request form available in the A & R Office or on the web.

Courses may NOT be used in more than one Area.

For CSU American Institution graduation requirements, see CSU GE pattern sheet.

DIRECTIONS: Indicate courses using Completed (C), In Progress (IP), Planned (P), or list courses taken at other colleges. Indicate Advanced Placement (AP) score of 3 or higher where appropriate. Proof of AP and official transcript(s) will be required for transcript evaluation. Note: An "H" indicates Honors courses.			Area	C	IP	P

Course Identification Numbering System (C-ID)

The Course Identification Numbering System (C-ID) is a statewide numbering system independent from the course numbers assigned by local California community colleges. A C-ID number next to a course signals that participating California colleges and universities have determined that courses offered by other California community colleges are comparable in content and scope to courses offered on their own campuses, regardless of their unique titles or local course number. Thus, if a schedule of classes or catalog lists a course bearing a C-ID number, for example COMM 110, students at that college can be assured that it will be accepted in lieu of a course bearing the C-ID COMM 110 designation at another community college. In other words, the C-ID designation can be used to identify comparable courses at different community colleges. However, students should always go to www.assist.org to confirm how each college's course will be accepted at a particular four-year college or university for transfer credit.

The C-ID numbering system is useful for students attending more than one community college and is applied to many of the transferable courses students need as preparation for transfer. Because these course requirements may change and because courses may be modified and qualified for or deleted from the C-ID database, students should always check with a counselor to determine how C-ID designated courses fit into their educational plans for transfer.

Students may consult the ASSIST database at www.assist.org for specific information on C-ID course designations. Counselors can always help students interpret or explain this information.

The following is a list of West Valley College courses with C-ID designation approval as of April, 2019. For a regularly updated list, please go to Assist.com, select West Valley College and click on the "C-ID Designators at West Valley College" link. This list will be updated regularly as courses receive approval for C-ID designation.
