## CSU General Education Certification

### Important Points:

- Cannot be missing any of the "Golden Four" GE Areas: A1, A2, A3, and B4. If a student completes a course in a year it did not appear on the CSU General Education course list, it cannot be used for GE certification.
- A minimum of 60 units of transferable courses must be completed to transfer as a junior.
- Credit is awarded for either an honors or non-honors course, not both. For example, students may receive credit for Math 105 or Math 105H, not both.
- A single course may not fulfill more than one general education requirement even though it may be listed in more than one area.

**Certification:** If not fully certified before transfer, students may be required to complete the general education pattern of the specific campus to which they transfer.

- VVC awards a student full or partial certification by subject area for completion of the lower-division general education transfer requirements.
- For full certification submit application for certificate to Admission and Records Office
