

COPPER MOUNTAIN COLLEGE
2023-2024
CALIFORNIA STATE UNIVERSITY (CSU)

M	IP	N	<p>Completion and certification of CSU will permit a student to transfer from Copper Mountain College to a campus in the CSU system without the need, after transfer, to take additional lower-division general education courses. All courses must be completed with a grade of "C" or better.</p> <p>CERTIFICATION: GE Certification means that CMC has verified that a student has completed lower-division requirements for the CSU system. Certification is important, without certification students will be held to general education requirements specific to the CSU campus to which they transfer. GE certification is not required for transfer. Some high unit majors, for example engineering, may recommend prioritizing major preparation classes over GE certification. See a Counselor for more information.</p> <p>LEGEND: Courses without prerequisites are italicized *Courses that appear in multiple areas below, can only be counted in one area. +Transfer credit may be limited by UC, CSU or both. Consult with a counselor. M = Met/Completed IP = In Progress N = Need to Complete</p>
