CSU GEB CALIFORNIA STATE UNIVERSITY (CSU) GENERAL EDUCATION BREADTH REQUIREMENTS CSU GEB
(Does NOT apply to any of the campuses of the University of California [UC] System)

To obtain a bachelor's degree from any of the California State University campuses, students are required to complete a minimum of 48 semester units in general education courses in the following areas: Area A - nine (9) units; Area B - twelve (12) units; Area C - twelve (12) units; Area D - nine (9) units; Area E - three (3) units; and Area F - three (3) units. Up to 39 lower-division units may be completed at and certified by California Community Colleges. After the student has transferred, the CSU campus will then specify a minimum of 9 more upper division units to be taken primarily in Areas B, C and D.

Students admitted to a CSU campus with full certification may not be held to any additional lower-division general education requirements; students admitted to a CSU campus with Subject-area certification may not be held to any additional lower-division general education coursework in the subject areas certified. Neither full certification nor subject area certification exempts students from unmet lower-division graduation requirements that may exist outside of the general education program of the campus awarding the degree.

The CSU GE-B pattern will be available to community college students through Summer 2025. Beginning Fall 2025, community college students will be placed on the CalGETC pattern.

General Education Certification:

- Official transcripts from all colleges and universities attended must be on file and will be reviewed for inclusion in the certification process. Acceptable scores on the Advanced Placement (AP) exams, College Level Examination Program (CLEP), and International Baccalaureate (IB) may count towards satisfying CSU GEB subject areas.
- Courses completed at a foreign college or university cannot be used to satisfy requirements for certification.
- Catalog rights do not apply to the CSU GEB pattern.
- Certification of GE courses is requested when the CSU GEB pattern is complete and the final transcript for the university is requested.
- Completion of the CSU GEB pattern does not guarantee admission to any CSU campus or program.
- The CSU GEB pattern is accepted by some California private, independent and out of state colleges or universities in satisfying lower division general education requirements.
