2023-2024 Certification Requirements

The CSU General Education Breadth (CSU GE-B) is a 39-unit general education program that allows California Community College students to fulfill lower-division GE requirements for the CSU. At least **60 TRANSFERABLE UNITS** of Major and General Education courses are required to transfer. Transfer students should: (1) meet with a counselor to create an **EDUCATIONAL PLAN** that will assist in identifying appropriate major and GE requirements; (2) request a **CSU GE-B CERTIFICATION** (when final transcripts are requested) to be sent to the transfer institution; and (3) with a counselor's assistance, determine eligibility for an Associate's Degree and/or an Associate's Degree for Transfer. FULL CERTIFICATION (completion of all areas), PARTIAL CERTIFICATION (completion of all but 2 courses), and CSU GE-B FOR STEM CERTIFICATION (for BIO AS-T only) are available. Completion of the pattern also satisfies requirements for Certificate of Achievement. *All courses are 3 units unless otherwise noted.*

Important Note to students: Area F is a new CSU General Education requirement for students who started college at a California Community College (CCC) or California State University (CSU) in Fall 2021 or later. Students who have maintained continuous enrollment at a CCC or CSU prior to Fall 2021 may exercise their catalog rights to not be held to this requirement upon transfer to the CSU system. Exercising one's catalog rights can allow students to defer to the previous CSU GE-B requirements (i.e., needing 3 courses/9 units in Social Sciences/Area D).

For clarification, please schedule a meeting with a counselor. <https://www.westvalley.edu/services/online/index.html>

Catalog Rights Definition (as outlined in the Academic Programs section of the [West Valley College Catalog](#)): Students who maintain continuous enrollment, meaning they attended at least one semester or summer session during the academic year, may choose to graduate under the catalog in effect at the time they first enrolled at West Valley College or any catalog up to the time of graduation. Students who are considered returning students, meaning those who did not attend for a year or more before returning to college, must follow the catalog requirements in effect at the time of re-enrollment. Documented military, not exceeding two years, will not be considered an interruption of continuous enrollment. For catalog rights, the academic year begins each fall and ends with the subsequent summer session.
