Area: A \_\_\_\_\_ B \_\_\_\_\_ C \_\_\_\_\_ D \_\_\_\_\_ E \_\_\_\_\_ CSU GE Subject Area Certification: \_\_\_\_\_ CSU GE Full Certification: \_\_\_\_\_

**Notes:**

If you have attended more than one California Community College, follow the CSU GE Plan from the college at which the course was completed. A course may be used only once to satisfy one CSU GE subject Area, even if it is listed under more than one Area. Courses may be used to satisfy both CSU GE and major requirements. This CSU GE Plan totals 39 CSU transferable semester units. A minimum of 60 CSU transferable semester units is required for transfer. Students need to complete additional coursework in major and possibly elective courses. The **CSU GE-Breadth for STEM Plan** can be used for certain AST degrees and allows for completion of up to 3 units of GE in Area C and up to 3 units of GE in area D, after transfer.

Every effort has been made to ensure the information below is accurate and timely. However, the information contained in this plan is unofficial and should be checked against the official information found on the ASSIST website: [www.assist.org](http://www.assist.org)

Consult ASSIST for applicable major coursework and see a counselor to develop an Education Plan.
