CSU GE Plan courses must be completed with a passing grade of A, B, C, D or P. However, areas A1, A2, A3 and B4, must be completed with a C- or better \* Courses may be used only once to satisfy one CSU subject area, even if they are listed in the course agreement under more than one subject area. Courses may be used to satisfy both CSUGE and major requirements. **Warning:** Many students attend multiple California Community College campuses. If that's you, be sure to follow the CSUGE at each college of attendance. CSUGE policy states that CSUGE coursework completed in a specific subject area will be used in the area designated by the California Community College at which the course was completed. This is also the policy if you complete courses at more than one of the LACCD campuses. You must follow the CSUGE of each college you attend.
