

CSU General Education Requirements 2021-2022

This pattern is for students who began college Fall 2021 or later and have maintained continuous enrollment.

TO TRANSFER

A student must:

- Complete 60 semester/90 quarter CSU-transferable units including a minimum of 30 semester/45 quarter units in general education courses with a minimum GPA of 2.0.
- Complete Areas A1, A2, A3, and B4 with a grade of C- or higher in each course
- Be in good standing at the last college or university attended, and have completed or made up any missing college preparatory subject requirements.

Prior to transfer, it is strongly recommended that students complete the CSU GE pattern in full including the American Institution graduation requirement. Certain programs have more applicants than there are spaces available. These “impacted programs” have additional screening requirements. Please see an SMC counselor or visit www.smc.edu/articulation for details.

CSU CERTIFICATION

"Certification" means that Santa Monica College has verified that a student has completed the lower-division general education requirements for the California State University system.

Certification from a community college is important, because without it, students will be held to the general education requirements specific to the CSU campus to which they are transferring. This typically involves additional lower-division coursework. Once a student is "certified", however, the CSU campus of choice will identify the student as having completed the lower-division requirements that are spelled out in the articulated agreements between the CSU and Santa Monica College. *(Students should note that 9 units of upper-division general education courses must be completed after transfer).*

Coursework from other United States regionally accredited institutions may be used on CSU GE. Coursework must be evaluated by a Santa Monica College counselor and determined to be applicable to CSU GE. Courses with a grade of D- or higher can be applied to the CSU GE, **except** courses used to satisfy areas A1, A2, A3 and B4. Courses for A1, A2, A3 and B4 must have a C- or higher. A “Credit” or “Pass” that is defined by institutional policy as being equivalent to a grade of D- or higher may be applied to meet CSU GE requirements, except in Area A1, A2, A3 and B4.

It is the student's responsibility to request certification. Petitions for certification may be filed in the Admissions Office from January 1 through July 31 for the Spring semester, and October 1 through December 1 for students planning to complete requirements during the Fall semester.

Certification petitions are available on those dates in the Admissions Office and online (go to www.smc.edu/admissions/forms.htm). Request for certification will be processed **ONLY** during those periods.

APPLICATIONS

Applications to the CSU are available online at www.csumentor.edu. Applications to impacted programs must be filed during the priority-filing period, which is the first month applications are accepted for a given term. Many campuses are approaching capacity in a number of academic disciplines and are likely to close to applications after the first month of the filing period. Campuses, which are less impacted, may accept applications up to one month prior to the opening day of the term, though individual programs may close earlier. **APPLICATIONS SHOULD BE FILED AS EARLY IN THE FILING PERIOD AS POSSIBLE TO ENSURE PRIORITY CONSIDERATION!**

PRIORITY APPLICATION FILING PERIODS

Students are encouraged to attend an application workshop. The application priority filing periods are:

Quarter System Campuses:

- Summer Quarter: February 1 - 28
- Fall Quarter: October 1 - November 30
- Winter Quarter: June 1 - 30
- Spring Quarter: August 1 - 31

Semester System Campuses:

- Fall Semester: October 1 - November 30
- Spring Semester: August 1 - 31

CSU General Education Transfer Curriculum Requirements

Students may follow the pattern of study outlined below or, the Intersegmental General Education Transfer Curriculum (IGETC) to meet lower-division general education requirements for the CSU system.

- SMC does not accept foreign coursework from non-U.S. regionally accredited institutions to meet CSU GE requirements.
- **Important: Courses in Areas A1, A2, A3, and B4 must be completed with a grade of C- or higher in each course**
- For information regarding “CSU Certification”, see the Transfer section of the catalog.

Santa Monica College offers the courses highlighted below fully online. Students may complete the degree requirements fully online.

AREA F: ETHNIC STUDIES: (3 semester or 4-5 quarter units)

Santa Monica College courses are undergoing review for Area F. Students may opt to take a course at another community college to fulfill this area.

Students can search this requirement across the 84 colleges currently providing online course schedule updates to cvc.edu. To find a course, navigate to cvc.edu and after typing in the *Primary California College*, select *CSU Breadth Requirements* and then *CSU GE F – Ethnic Studies* from the dropdown menu. A demonstration video on using the CVC Exchange is also available [here](#) (see example below).

Note: As additional courses are approved and added to assist.org, search results will be updated.
