*Currently, West Valley College will not be offering any courses in this area for the 2021-22 academic year. Students should consult with a counselor to plan to complete this requirement next year or seek options at other institutions.*

***Important Note to students**: Area F is a new CSU General Education requirement for new students or returning students who have lost/broken continuous enrollment prior to the 2021-2022 academic year. Students who were enrolled in the previous academic year, or have maintained continuous enrollment, can follow their catalog rights so the student will not be held to this requirement by the CSU system. Exercising one's catalog rights can allow students to defer to the previous CSU GE-B requirements (i.e., needing 3 courses/9 units in Social Sciences/Area D). For clarification, please schedule a meeting with a counselor. https://www.westvalley.edu/services/online/index.html*
