VI. DISCUSSION ITEM: **Sustainable Earth Club Update**

Chair **Cutting** yields the floor to **Camarillo** to address the following:

- Hailey has until the 28<sup>th</sup> to do it, because that's when clubs are renewed.
- Hailey wants **Camarillo** to sign to be VP, she contacted the others and posted it on the Sustainability Facebook.
- Have people that want to join the club
- Need people to help out with events **cutting**
- **Camarillo:** hiking club never responded, and it looks like their club is dwindling down.
- **Camarillo** states that the hiking club should team up with the other club since both clubs are dwindling down individually. Being a bigger club can allow them to do cool activities that have to do with sustainability and hiking.

*"Students working for Students!"*

VII. DISCUSSION ITEM- **Tabling Update**

Chair **Cutting** addresses the following:

- Student-At-Large states that people are continuously signing up for the email list. Chair **Cutting** declares that she is going to meet with marketing tomorrow to try and get a poster made to help attract more people to the table.
- **Anzele** wants to do a paper towel demonstration by getting 20 trifold paper towels and 20 perforated paper towels to do a shake and fold demonstration. For example, there are 10,000 students on campus everyday and if everyone used one paper towel instead of four CSUEB can save thousands of paper towels a day. The data will go on the whiteboard used at tabling.
- Chair **Cutting** informs the committee that ED **Saffold** said they can use the wall of the new restaurant in the Old Union to decorate and use it as a display for earth month.
- **Camarillo** states that maybe the Art department can do an Earth Week mural on the restaurant wall.
- **Cutting** adds the wall can be interactive, by having students writing their pledges on the wall.

**10:45**

X. ROUND TABLE REMARKS

**Camarillo:** Her sorority has to do philanthropies once a month and they would be interested in setting up booths and running them for Earth Week.

**Cutting:** Ask **Camarillo** to come up with games at her next sorority meeting.

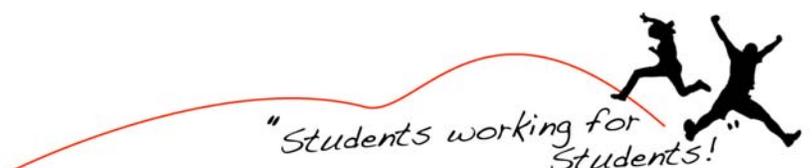

**Camarillo:** The sorority can run a plant booth, game booths, and different informational booths to help educate students more about sustainability.

**Camarillo:** Groups can collect old t-shirts to rip them and make stuff out of them that day.

**Shallcross** Do reusable clothes drive.

**Anzele** Start plant seeds in milk cartons and hang them around campus like signs to help promote people going to Earth Week booths.

**Cutting:** Will plant seeds in the garden on top of the science building if access is given.
